The Dark Night of the Soul Gerald G. May, 2009-03-31 Now in paperback a distinguished psychiatrist spiritual counsellor and bestselling author shows how the dark sides of the spiritual life are a vital ingredient in deep authentic healthy spirituality Gerald G May MD one of the great spiritual teachers and writers of our time argues that the dark shadow side of the true spiritual life has been trivialised and neglected to our serious detriment Superficial and naively upbeat spirituality does not heal and enrich the soul Nor does the other tendency to relegate deep spiritual growth to only mystics and saints Only the honest sometimes difficult encounters with what Christian spirituality has called and described in helpful detail as the dark night of the soul can lead to true spiritual wholeness May emphasises that the dark night is not necessarily a time of suffering and near despair but a time of deep transition a search for new

orientation when things are clouded and full of mystery The dark gives depth dimension and fullness to the spiritual life
