Toronto by Gaslight: The Night Hawks of a Great City Toronto News, 2019-12-11 In *Toronto by Gaslight: The Night Hawks of a Great City* Toronto News delves into the vibrant yet shadowy tapestry of Toronto's historical nighttime culture during the late 19th and early 20th centuries. The book masterfully evokes the sensory experiences of a city illuminated by gaslight, weaving together rich narratives and meticulously researched anecdotes that highlight the lives of night hawks, the people who roamed the streets under the glow of flickering lamps. With a blend of evocative prose and journalistic rigor, News captures not only the city's architectural evolution but also the sociocultural dynamics at play during this transformative period in Toronto's history. Toronto News, a prominent figure in Canadian journalism, draws upon a wealth of experience and passion for urban history to craft this engaging account. Having immersed himself in the socio-political climate of Toronto, News is well-acquainted with the evolution of the city's identity, which informs his portrayal of the nocturnal adventures that shaped public perception and personal experiences. His work reflects a deep appreciation for storytelling as both an art and a record of collective memory. This book is an essential read for anyone intrigued by urban history, Victorian societies, or the hidden narratives of city life. With its meticulous detail and atmospheric storytelling, *Toronto by Gaslight* will transport readers to a time when the dark streets of Toronto were alive with mystery, tension, and resilience, inviting them to explore the untold stories lurking in the gaslit alleys.

**The Chicago of Fiction** James A. Kaser, 2011 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on Chicago-centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The Chicago of Fiction: A Resource Guide*, James A. Kaser provides detailed synopses for more than 1,200 works of fiction significantly set in Chicago and published between 1852 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides

bibliographical information for works dating from 1981 well into the 21st century while a biographical section provides basic information about the authors some of whom are obscure and would be difficult to find in other sources Written to assist researchers in locating works of fiction for analysis the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies i e class ethnicity gender immigrant experience and race The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading particularly since genre juvenile and young adult fiction as well as literary fiction are included      *The Molly Maguires and the Detectives* Allan Pinkerton, 2014-12-30 To keep the peace in the coal mines the Pinkerton agency goes to war The Civil War is over and the Union is rebuilding using the power of coal black rock dug from deep beneath the Pennsylvania earth by men from all over the globe who are seeking their fortune in America In the 1870s the miners are unionizing to fight for better working conditions but within their ranks lurks a secret society whose aim is not so pure It calls itself the Mollie Maguires and its adherents are ready to kill to get what they want Fearing a bloodbath the head of one of the coal mining firms reaches out to Allan Pinkerton founder of the famous detective agency and begs him to break up the sinister ring Pinkerton sends James McParlan undercover among the miners the first soldier in a three year battle against the radicals that will change the face of American labor forever This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices
