Das Deutsche Kaiserreich Gerd Fesser:

Rethinking the Age of Emancipation Martin Baumeister, Philipp Lenhard, Ruth Nattermann, 2020-03-20 Since the end of the nineteenth century traditional historiography has emphasized the similarities between Italy and Germany as late nations including the parallel roles of great men such as Bismarck and Cavour *Rethinking the Age of Emancipation* aims at a critical reassessment of the development of these two late nations from a new and transnational perspective Essays by an international and interdisciplinary group of scholars examine the discursive relationships among nationalism war and emancipation as well as the ambiguous roles of historical protagonists with competing national political and religious loyalties

Friedrich Rosen Amir Theilhaber, 2020-09-07 The German lacuna in Edward Said's Orientalism has produced varied studies of German cultural and academic Orientalisms So far the domains of German politics and scholarship have not been conflated to probe the central power knowledge nexus of Said's argument Seeking to fill this gap the diplomatic career and scholarly literary productions of the centrally placed Friedrich Rosen serve as a focal point to investigate how politics influenced knowledge generated about the Orient and charts the roles knowledge played in political decision making regarding extra European regions This is pursued through analyses of Germans in British imperialist contexts cultures of lowly diplomatic encounters in Middle Eastern cities Persian poetry in translation prestigious Orientalist congresses in northern climes leveraging knowledge in high stakes diplomatic encounters and the making of Germany's Islam policy up to the Great War Politics drew on bodies of knowledge and could promote or hinder scholarship Yet scholars never systemically followed empire in its tracks but sought their own paths to cognition On their own terms or influenced by Oriental savants they aligned with politics or challenged claims to conquest and rule

Transnational Histories of the 'Royal Nation' Milinda Banerjee, Charlotte Backerra, Cathleen Sarti, 2017-04-27 This book challenges existing accounts of the nineteenth and twentieth centuries in which political developments are explained in terms of the rise of the nation state While monarchies are often portrayed as old fashioned as things of the past we argue that modern monarchies have been at the centre of nation construction in many parts of the world Today roughly a quarter of states define themselves as monarchies as well as nation states they are Royal Nations This is a global phenomenon This volume interrogates the relationship between royals and their nations with transnational case studies from Asia Africa Europe as well as South America The seventeen contributors discuss concepts and structures visual and performative representations and memory cultures of modern monarchies in relation to rising nationalist movements This book thereby analyses the worldwide significance of the Royal Nation

Germany's Second Reich James Retallack, 2015-07-06 Despite recent studies of imperial Germany that emphasize the empire's modern and reformist qualities the question remains to what extent could democracy have flourished in Germany's stony soil In Germany's Second Reich James Retallack continues his career long inquiry into the era of Bismarck and Kaiser Wilhelm II with a wide ranging reassessment of the period and its connections with past traditions and future possibilities In this volume

Retallack reveals the complex and contradictory nature of the Second Reich presenting Imperial Germany as it was seen by outsiders and insiders as well as by historians political scientists and sociologists ever since *Imperial Germany 1871-1918*

James Retallack,2008-04-10 An international team of twelve expert contributors provides both an introduction to and an interpretation of the key themes in German history from the foundation of the Reich in 1871 to the end of the First World War in 1918 **Deutsche Außenpolitik des Wilhelminischen Kaiserreich 1890-1918** Andreas Rose,2014-02-07 Die Außenpolitik des Deutschen Kaiserreiches ist fraglos eines der zentralen und bis heute umstrittensten Themenfelder der Neueren Geschichte Die europäischen Rivalitäten das imperiale Ringen um überseeische Besitzungen und die zunehmende Bedeutung der eigenen Öffentlichkeit für das außenpolitische Handeln brachten Europa auf einen gefährlichen Kurs der schließlich in den Ersten Weltkrieg mündete Nach der Entlassung Bismarcks wurden sein hochvirtuoses Bündnissystem und seine defensive Außenpolitik unter der guidance Kaiser Wilhelms II grundstzlich umgebaut Weltmacht wurde nun zum Ziel erklärt und die Flotte sollte dazu das Instrument sein Der Band stellt die deutsche Außenpolitik zwischen der Entlassung Bismarcks 1890 und dem Ausbruch des Krieges analytisch klar dar um dann Kriegsdiplomatie und Kriegsziele bis zum Untergang des Kaiserreichs zu schildern Ein Band der die großen Krisen des Hochimperialismus überzeugend erklärt *The Great Naval Game* Jan Rüger,2007-06-21 An innovative study of the cult of the navy in the age of empire **Das Deutsche Kaiserreich und seine Justiz** Uwe Wilhelm,2010 Kritik an der Justiz war im Deutschen Kaiserreich ein Dauerthema Die Vorwürfe richteten sich gegen alle Teile des Justizsystems und verdichteten sich in den 1890er Jahren zu einer handfesten Vertrauenskrise die trotz vielfältiger Reformbemühungen bis 1914 anhielt Die vorliegende Arbeit interpretiert die Zusammenhänge in erster Linie als Folge der zwiespältigen Modernisierung Deutschlands Während der rapide ökonomische und gesellschaftliche Wandel die Gerichte fortwährend mit neuen brisanten Streitsachen konfrontierte hielt vor allem Preußen an der Strafgewalt als Instrument gegen politisch Andersdenkende fest Die rechtsstaatlichen Grenzen blieben dabei zwar im großen und ganzen gewahrt gleichwohl trug die Kritik maßgeblich dazu bei die Legitimität des monarchischen Staates zu untergraben Die Studie beruht auf einer breiten Materialbasis und greift zeitlich bis zur Revolution von 1848/49 zurück

The Discourse of British and German Colonialism Felicity Rash,Geraldine Horan,2020-07-30 This volume compares and contrasts British and German colonialist discourses from a variety of angles philosophical political social economic legal and discourse linguistic British and German cooperation and competition are presented as complementary forces in the European colonial project from as early as the sixteenth century but especially after the foundation of the German Second Empire in 1871 the era of the so called Scramble for Africa The authors present the points of view not only of the colonizing nations but also of former colonies including Cameroon Ghana Morocco Namibia Tanzania India China and the Pacific Islands The title will prove invaluable for students and researchers working on British colonial history German colonial history and post colonial studies *The Kaiser* Annika Mombauer,Wilhelm Deist,2003-11-17 This collection of innovative essays

examining the role of Wilhelm II in Imperial Germany was first published in 2003 particularly on the later years of the monarch's reign. The essays highlight the Kaiser's relationship with statesmen and rulers, his role in international relations, the erosion of his power during the First World War and his ultimate downfall in 1918. The book demonstrates the extent to which Wilhelm II was able to exercise personal rule largely unopposed by the responsible government and supported in his decision making by his influential entourage. The essays are based on thorough and far reaching research and on a wide range of archival sources. Written to honour the innovative work of John R. H. Wilhelm II's most famous biographer on his sixty fifth birthday, the essays within this volume will continue to provide an exciting evaluation of the role and importance of this controversial monarch.

Uncover the mysteries within Explore with is enigmatic creation, Discover the Intrigue in **Das Deutsche Kaiserreich Gerd Fesser** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation.
