Das Folk Music Lexikon

David Robb

Das Folk Music Lexikon:

The Study of Folk Music in the Modern World Philip V. Bohlman, 1988-06-22 This book is a contribution of considerable substance because it takes a holistic view of the field of folk music and the scholarship that has dealt with it Bruno Nettl a praiseworthy combination of solid scholarship penetrating discussion and global relevance Asian Folklore Studies successfully ties the history and development of folk music scholarship with contemporary concepts issues and shifts and which treats varied folk musics of the world cultures within the rubric of folklore and ethnomusicology with subtle generalizations making sense to serious minds Folklore Forum this book challenges many carefully nurtured sacred cows Bohlman has executed an intellectual challenge of major significance by successfully organizing a welter of unruly data and ideas into a single appropriately complex but coherent system Folk Music Journal Bohlman examines folk music as a genre of folklore from a broadly cross cultural perspective and espouses a more expansive view of folk music stressing its vitality in non Western cultures as well as Western in the present as well as the past *Das Gitarrenbuch* Alexander Schmitz, 1982

Protest Song in East and West Germany Since the 1960s David Robb, 2007 The German protest song from the 1960s through the 1990s and how it carried forth traditions of earlier periods The modern German political song is a hybrid of high and low culture With its roots in the birth of mass culture in the 1920s it employs communicative strategies of popular song Yet its tendencies toward philosophical poetic and musical sophistication reveal intellectual aspirations This volume looks at the influence of revolutionary artistic traditions in the lyrics and music of the Liedermacher of east and west Germany the rediscovery of the revolutionary songs of 1848 by the 1960s West German folk revival the use of the profane carnivalesque street ballad tradition by Wolf Biermann and the GDR duo Wenzel Mensching the influence of 1920s artistic experimentation on Liedermacher such as Konstantin Wecker and the legacy of Hanns Eisler's revolutionary song theory The book also provides an insider perspective on the countercultural scenes of the two Germanys examining the conditions in which political songs were written and performed In view of the decline of the political song form since the fall of communism the book ends with a look at German avant garde techno's attempt to create a music that challenges conventional cultural perceptions and attitudes Contributors David Robb Eckard Holler Annette Blühdorn Peter Thompson David Robb is Senior Lecturer in German Studies at the Queen's University of Belfast ISME Yearbook International Society for Music Education, 1983

A History of European Folk Music Jan Ling, 1997 The aim of this study is to increase understanding of folk music within an historical European framework and to show the genre as a dynamic and changing art form The book addresses a plethora of questions through its detailed examination of a wide range of music from vastly different national and cultural identities It attempts to elucidate the connections between and the varying development of the music of peoples throughout Europe firstly by examining the ways in which scholars of different ideological and artistic ambitions have collected studied and performed folk music then by investigating the relationship between folk and popular music Jan Ling is

Professor of Musicology at Göteborg University Sweden **Music & Letters** ,1926 Music, Books on Music, and Sound Recordings Library of Congress,1988 **The New Grove Dictionary of Music and Musicians: Appendixes** Stanley Sadie,John Tyrrell,2001 This reference classic has approximately doubled in size since its last publication 20 years ago and the expansion involves more than the thorough revision and addition of articles about music of the past More articles about 20th century composers and composer performers have been added as well as topical articles about the gender related multicultural and interdisciplinary ways that music is now being studied Add to these changes that New Grove is also available online making it a source that would have made its many faceted creator Sir George Grove proud Outstanding reference sources American Libraries May 2002 P - Z ,2011-05-09 Keine ausführliche Beschreibung für P Z verfügbar

Perspectives on German Popular Music Michael Ahlers,Christoph Jacke,2016-11-25 In this book native popular musicologists focus on their own popular music cultures from Germany Austria and Switzerland for the first time from subcultural to mainstream phenomena from the 1950s to contemporary acts Starting with an introduction and two chapters on the histories of German popular music and its study the volume then concentrates on focused detailed and yet concise close readings from different perspectives including particular historical East and West German perspectives mostly focusing on the music and its protagonists Moreover these analyses deal with very original specific genres such as Schlager and Krautrock as well as transcultural genres such as Punk or Hip Hop There are additional chapters on characteristically German developments within music media journalism and the music industry The book will contribute to a better understanding of German Austrian and Swiss popular music and will interconnect international and especially Anglo American studies with German approaches The book as a consequence will show close connections between global and local popular music cultures and diverse traditions of study

Das Folk Music Lexikon Introduction

In today's digital age, the availability of Das Folk Music Lexikon books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Das Folk Music Lexikon books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Das Folk Music Lexikon books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Das Folk Music Lexikon versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Das Folk Music Lexikon books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Das Folk Music Lexikon books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Das Folk Music Lexikon books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and

technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Das Folk Music Lexikon books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Das Folk Music Lexikon books and manuals for download and embark on your journey of knowledge?

FAQs About Das Folk Music Lexikon Books

1. Where can I buy Das Folk Music Lexikon books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Das Folk Music Lexikon book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
