Mascoutah Thomas S. Snyder,2010 German emigrants established Mascoutah in 1837 naming it after the Mascouten Indians Despite being located in an area filled with swamps snakes and disease the village prospered owing primarily to a flour mill that drew farmers into town This brought customers to merchants and tradesmen By the 1850s Mascoutah was thriving and had established itself as the social and cultural center of the surrounding area By 1900 it was the third largest town in St Clair County and one of the most progressive World War I the establishment of Scott Air Force Base Prohibition and the Great Depression soon altered the course of Mascoutah s history but the town retained its resiliency For over 170 years Mascoutah has grown and adapted to meet a changing world retaining its small town flair and pride in its German heritage *Galena* Kay Price,Marian Hendricks,2007 At one time the home of Civil War hero Ulysses S Grant and the place where Abraham Lincoln campaigned Galena was once a booming town with the largest hotel in the West It was here that Grant put together his presidential plans When this bustling riverboat mining town and railroad center fell into disrepair it languished for decades and Galena became the town that time forgot Fortunately no one tore down the early 1800s architecture Today Galena is a flourishing tourist mecca where visitors can literally go back in time These postcards tell the story of this quaint village with its magical old atmosphere **The Ironworker** ,1973 *Bloomington-Normal in Vintage Postcards* Elaine J. Taylor,2002 Bloomington and Normal have grown from small pioneer settlements into the Twin Cities of central Illinois linked by their proximity and shared history Surviving and rebuilding after a devastating fire in 1900 the area has continued to grow and prosper It is home to many businesses including State Farm the nation s largest auto and homeowners insurance company The vintage postcards in this collection feature the delights and difficulties of Bloomington Normal at the turn of the century These images capture historic events such as the Street Car Strike of 1917 in which workers took their demands to the streets The businesses that closed up shop years ago are opened again through these historic postcards many of which were originally produced by Bloomington based postcard publisher C U Williams
