Churches In The Shape Of Scripture

Allen Verhey, Joseph S. Harvard

Churches In The Shape Of Scripture:

Churches in the Shape of Scripture Dan Chambers, 2012-07 Could you tell me something about the church of Christ Could you tell me the difference between the church of Christ and the _____ church If you've ever asked questions like these or been on the receiving end of them then this is the book for you Expect to walk away from this book not only knowing what churches of Christ are all about but also with a clear understanding of many of the beliefs and practices that distinguish them from other church groups Don't be surprised though if you also walk away with a renewed conviction that being a New Testament shaped church is a goal worth pursuing and that doing things God's way really does matter *Worship in the Shape of Scripture* Russell F Mitman, 2009-01-01 *Worship in the Shape of Scripture* first published in 2001 is a practical resource for worship planners and leaders that provides guidelines for applying homiletic concepts to all areas of worship planning Due to its success it has been revised and updated Mitman demonstrates how the structure of worship is or can be rooted in Scripture itself He raises essential questions and reflects on broad themes for worshiping congregations to consider for the sake of faithful praise Foreword by Marva J Dawn *Planting Missional Churches* Ed Stetzer, Daniel Im, 2016-05-01 In this second edition of *Planting Missional Churches* not only will you find a completely redesigned book with new content in every single chapter but you will also find several new chapters on topics such as church multiplication residencies multi ethnic ministry multisite denominations and networks and spiritual leadership **Free Churches and the Body of Christ** Jeffrey W. Cary, 2012-11-05 Those within the free church tradition have often appealed to the notion of the invisible church to account for the unity of the Body of Christ A growing number of free church theologians however are giving increased attention to the importance of visible ecclesial unity which immediately raises the perennial problem of the authorities by which unity is maintained There is also a growing recognition among free church theologians of the need to recognize the authority of tradition in tandem with the authority of Scripture In this book Cary affirms these recent developments but then inquires whether a turn toward visible unity together with an embrace of the authority of tradition can eventually be coherent without also embracing the authority of an extra congregational teaching office To guide his study Cary engages the work of two theologians from outside the free church tradition Robert Jenson and Rowan Williams He then brings them into contact with the prominent free church theologian James McClendon in order to supplement some of the deficiencies Cary perceives in McClendon's groundbreaking work Once these deficiencies are addressed however the question intensifies whether the free church tradition as such can remain a coherent ecclesial option over time **Ephesians** Allen Verhey, Joseph S. Harvard, 2011-01-01 Long recognized as significant theological document and one from which the Christian church gains life and direction the book of Ephesians focuses on Jesus Christ's amazing work in redemption and reconciliation It invites and requires our participation in it Jointly written by a theological seminary professor and an active pastor this commentary emerges from an adult Sunday school class on Ephesians they taught together as well as their own

studies and experiences The result is a fascinating work that focuses on the gospel of Jesus Christ and the ways it is to be lived out in the church and by Christians in their own lives

Shapers of Baptist Thought (P247/Mrc) James E Tull,2000-09-05 *Formation of the Bible: the Story of the Church's Canon* Lee Martin McDonald,2012 Well known for his scholarly works on the formation of the biblical canon Lee McDonald has written a carefully researched and reasoned explanation on the history of the formation of the Bible expressly for the interested pastor and curious layman Combining a lifelong commitment to the Scriptures both as a pastor and as a scholar McDonald approaches his task with sensitivity to the importance of these sacred texts as well as with the thoughtful practice of a person steeped in the process by which these texts were brought together to form the Bible as the church knows it now From the collection and translations of the Hebrew Scriptures through the collection of the New Testament Scriptures and finally the process of settling on the final forms for these collections McDonald leads his reader right up to the present moment

Reformed Theology Wallace M. Alston,Michael Welker,2007 A dynamic array of scholars here inspects the role of the Reformed confessional tradition in the reading and interpretation of Scripture Written by contributors not only from the West but also from Hungary Romania India South Africa and China these essays recognize the influence of one's context in doing exegetical work Wide ranging and lucid **Reformed Theology Identity and Ecumenicity II** is an excellent resource for readers looking to examine current biblical and theological trends in Reformed thought Contributors Denise M Ackermann Peter Balla Brian K Blount Hendrik Bosman H Russel Botman William P Brown H J Bernard Combrink Beverly Roberts Gaventa Zsolt Gereb Theodore Hiebert Jaqueline E Lapsley Bernard Lategan James Luther Mays J Clinton McCann Jr Alexander J McKelway Patrick D Miller Elna Mouton Piet J Naud Ed Noort E A Obeng Douglas F Ottati Ronald A Piper Cynthia L Rigby D R Sadananda Konrad Schmid Dirk Smit Iain Torrance Hans Weder Carver T Yu

Models for Scripture John Goldingay,2004 Looks at the task of interpreting Scripture as witnessing tradition authoritative canon inspired word and experienced revelation

On the Church Abraham Kuyper,2016-11-16 This anthology of key essays and speeches presents Kuyper's thoughts on the church Included are selections from Kuyper's doctoral dissertation on the theology of John Calvin and John a Lasco various treatises and sermons such as the Twofold Fatherland and Address on Missions and selections from Kuyper's larger works on the church such as Kuyper's commentary on the Heidelberg Catechism The centerpiece will be Kuyper's programmatic statement Tract on the Reformation of the Churches which takes a unique approach to ecclesiology
