

A New and Updated Edition of the Classic Guide to Coaching

Coaching has proven to be one of the most powerful one-on-one management techniques for getting the best out of every employee. And **Coaching for Improved Work Performance** stands as one of the most practical guides for effectively coaching all levels of employees in any workplace situation. For decades, managers around the world have turned to bestselling author Ferdinand Fournies for solutions to their toughest coaching problems. Now, this classic has been fully updated to help managers face the challenges of today's rapidly changing workplace—from absenteeism, high turnover, and teams to flextime, jobsharing, telecommuting, and keeping employees up to speed on new technologies. With brand new case studies and all new face-to-face interventions, this guide is the one must-have coaching reference all managers need on their desks to help them keep their employees more productive and more focused—as well as more satisfied and happier at work!

Coaching Improved Performance Revised Edition:

Coaching for Improved Work Performance, Revised Edition Ferdinand F. Fournies, 1999-12-06 Managing employees in today's rapidly evolving workplace can sometimes feel like negotiating a minefield. Such recent new trends as flextime, telecommuting, 360 degree feedback, the flattening of hierarchies and the increased use of temps and contract workers present tough new challenges for supervisors in every field. This timely, completely revised and updated edition of Ferdinand Fournies's classic management coaching bible shows you proven ways to get workers to perform at the highest level while eliminating the self-destructive kinds of behaviors that have become increasingly prevalent in recent years. In this book you'll be taught specific face-to-face interventions you can use to enhance performance in every kind of workplace situation from sales to creative brainstorming. There are also interventions uniquely suited to resolving problems ranging from low productivity to absenteeism to conflicts between individuals. You'll learn precisely what to say and do so that each person you supervise will want to give you his or her best work even when that person was previously thought to be a problem employee. Packed with brand new case studies from Fournies's latest research into the dynamics of the modern workplace, this classic guide takes all the guesswork out of becoming the kind of inspired hands-on manager that every company today is looking for.

Coaching for Improved Work Performance Ferdinand F. Fournies, 1978 *Teams Unleashed* Phillip Sandahl, Alexis Phillips, 2019-10-08 FROM THE CO-AUTHOR OF THE WORLDWIDE BESTSELLER *Co-Active Coaching* Fourth Edition The proven framework for transformative conversations at work and in life, *Teams Unleashed* provides a map and compass for engaged, sustainable and improved team performance. This practical approach uses the everyday language of teams to highlight what's working and uncover what's not, and gives teams the tools to incorporate new practices that build team effectiveness. This is an approach proven in the real world of teams since 2005 and used by thousands of teams worldwide. The steps outlined are based on the fundamentals of coaching, a powerful, repeatable process to support and empower change that makes a difference. *Teams Unleashed* introduces the five core competencies for working effectively with teams, describes the essential team coaching skills, and provides exercises and activities to generate the important conversations that lead to new understanding and new team norms. This is a book for those who work with and lead teams: team and executive coaches, internal HR, OD and L, the tools to design where we go from here, and the structure and accountability to stay on track for team success.

Personal Performance Potential at Work Brian Groves, 2015-07-13 By approaching workplace performance from the perspective of the theatre, my previous books² have attempted to illustrate the connection between work and the world of drama and dramatic texts. Here now the emphasis is on performance at work, borrowing in many instances as we shall see from the theatre for the sake of satisfying an audience comprised of our stakeholders. That we are all performing at any moment is a noted idea. With the increasing presence of surveillance cameras in many towns and cities today, we are indeed almost continually in the spotlight. That said, personal performance in this book relates to our intentional

actions as opposed to activities merely performed as habits or reactions to stimuli deriving from external sources Focusing on performance potential and the workplace certain ideas were originally produced as material for my personal blog³ over the period June 2013 June 2014 Excerpted from the Introduction Performance Coaching Carol Wilson,2014-01-03
