Chanel provides a fascinating insight into Chanel's life, work and legacy. [The Real Coco Chanel](#) Rose Sgueglia, 2020-06-30

Coco Chanel lived her own life as a romantic heroine. Fueled by 19th century literature, she built a life which was partly myth and partly factual. She was the fashion designer everyone admired. The business woman whose fortune was impossible to track. She was also a performer, lover of many high profile intellectuals and as believed by many a Nazi spy. Her life was extraordinarily affected by history, the Nazi movement and World War II symbolism and literature. This biography explores her life from her troubled and poor past to the opening of her first hat shop, passions and secrets. The biography also draws parallelisms between myths and facts and how and if ever they match at all. The biography also features chapters on the Chanel Maison and the creation of her iconic trademark as well as her little black dress and Chanel No 5. Finally, the biography ends with a reflection on how the myth of Coco Chanel is represented today in pop culture.

Coco Chanel: Biography of the World's Most Elegant Woman Laura Murciello, 2012-07-24

Coco Chanel is best known for her contributions to the design and fashion industry. The famous French designer is believed to be the inventor of the little black dress and for instigating the notion that tanned skin is beautiful. Her designs changed the way we approached the female form and Hollywood stars would fly her from Paris to Los Angeles just to have a red carpet dress designed. While introducing the world to radical fashion industry transformations, she spent most of her time socializing with the Elite of Parisian and British society. As we know her today, Coco Chanel is the French goddess who has bestowed us with perfumes, designs and the legendary Chanel Suit. Her public statements are often quoted by those in the fashion industry who place emphasis on elegance and those in the business world who strive to succeed. Her designs continue to sell today and she now has a well-established line of beauty and perfume products. Ever the intellectual, her modernist thoughts have gained her worldwide recognition even after her death in 1971. Although Coco is best known to us for re-inventing style, her life has not been without its controversies. Far from being a mere woman of elegance, Chanel has a hidden past. By digging beneath the surface, it is clear to see she was just as well known for her drug addiction, affairs with members of the British elite and allegiance with anti-Semitic Nazis. On several occasions, she evaded facing international war trials thanks to her connections in high places.
