Confessions Of A Teenage Hermaphrodite:

Confessions of a Teenage Hermaphrodite Lianne Simon, 2012-09-01 Jamie was born with a testis and an ovary and a pixie face. He can be a boy after minor surgery and a few years on testosterone. Well, that's what his parents always say, but he sees an elfin princess in the mirror. To become the man his parents expect, Jamie must leave behind a little girl's hopes and dreams. At sixteen, the four-foot eleven soprano goes from home school to a boys' dorm at college. The elfin princess can live in the books Jameson reads, and nobody has to find out he isn't like other boys. When a medical student tells Jamie that he should have been raised female, Jamie sets out on a perilous journey to adulthood. The elfin princess can thrive, but will she risk losing her family and her education for a boy who may desert her or a toddler she may never be allowed to adopt. **Discursive**

Intersexions Michaela Koch, 2017-06-15 Life narratives and fiction that represent experiences of hermaphroditism and intersex are at the core of Michaela Koch's study. The analyzed texts from the 19th to the early 21st century are embedded within and contrasted with contemporary debates in medicine, psychology, or activism to reveal the processes of negotiation about the meaning of hermaphroditism and intersex. This cultural studies informed work challenges both strictly essentialist and constructivist notions. It argues for a differentiated perspective on intersex and hermaphrodite experiences as historically contingent, fully embodied, and nevertheless discursive subject positions. *Handbook on Postconservative Theological Interpretation*

Ronald T. Michener, Mark A. Lamport, 2024-10-24 Postconservative theology may be said to parallel with postliberal theology at its best: Orthodox biblical but open to new insights about how to interpret Scripture. But the new insights must be faithful as well as fresh. Postconservative theology is not the same as progressive theology, which tends to lean toward indeterminant faith expressions, whereas postconservative allows for particular faith commitments and expressions but understands that the constructive task of theology is never finished. Authors emphasize various interpretive theological lenses used for doing theology among various postconservative theologians rather than emphasizing the philosophical background to hermeneutical theory present in other works such as past influential thinkers including Gadamer, Grondin, Ricoeur, Heidegger, etc. This resource could also function as a companion to *Evangelical Theological Method: Five Views* (2018). This emphasis of the chapters will not be on the nuts and bolts of how to interpret but rather on the theological impulses that govern various lenses, Bible, cultural context, etc. for doing theology and the way Scripture functions with respect to the practice of interpretation. **Navigating Across Emotional Ecologies in the Narratives of Ru Freeman,**
