## **Confessions Of An Ex Gun Dealer:**

*Confessions of an Ex-Gun Dealer* Ludwig Sawicki, 2010-07 An entertaining look into both sides of the glass counter in a gun store CONFESSIONS OF AN EX GUN DEALER details the memoirs of Ludwig Sawicki who in the 1980s owned one of the largest gun stores in the United States Here you will meet memorable characters such as Uncle Al Bull Frog Bob Adolph the eccentric gunsmith and Charlie of the blow up doll fame You will relive along with Ludwig and his friends the hunting trips in search of big game and the safari trips to Africa You will learn the inner workings of a Chicago gun store what it takes to start one and how to keep it running the various guns that have passed over the counter and the people who bought and sold them Here are the fascinating details of a gun store that was not only a place of business but also a home away from home for a number of interesting people all of whom make for entertaining read You will come away with a truer understanding of the inner workings of an institution that does not exist much anymore the truly personal gun store its proprietor and its many patrons As Ludwig says Long story Short **Confessions of an Ex-Secret Service Agent** George Rush, 1991-11 For over a decade Marty Venker went wherever the President went his eyes moving all the time his body bristling with lethal energy and alertness In this funny candid behind the scenes look at life with some of the world s most powerful men and women Nixon Ford Carter Imelda Marcos and others Venker reveals how the Secret Service scopes out a crowd and more Fine *Confessions of a Tax Collector* Richard Yancey, 2009-03-17 Twelve years ago Richard Yancey answered a blind ad in the newspaper offering a salary higher than what he d made over the three previous years combined It turned out that the job was for the Internal Revenue Service the most hated and feared organization in the federal government So Yancey became the man who got in his car drove to your house knocked on your door and made you pay Never mind that his car was littered with candy wrappers his palms were sweaty and he couldn t remember where he stashed his own tax records He was there on the authority of the United States government With a rich mix of humor horror and angst and better than most novels on the bestseller lists Boston Sunday Globe *Confessions of a Tax Collector* contains an astonishing cast of too strange for fiction characters But the most intriguing character of all is Yancey himself who in detailing how the job changed him and how he managed to pull himself back from the brink of moral ethical and spiritual bankruptcy reveals what really lies beneath those dark suits and mirrored sunglasses This P S edition features an extra 16 pages of insights into the book including author interviews recommended reading and more **The Confession** Sheldon Siegel, 2010-09-06 Confessions abound some of them quite unexpected in Sheldon Siegel s new legal thriller Mike Daley doesn t go to confession much since he left the priesthood twenty years ago and became a lawyer but that doesn t stop his old friend Father Ramon Aguirre from trying to get him there It wouldn t kill you to go to church once in a while he tells Mike But it does kill someone For several months a ruinous sexual harassment suit has been building against the San Francisco Catholic Archdiocese and when the plaintiff s lawyer is found dead an apparent suicide an almost audible sigh of relief is

heard in certain quarters But that is before the police find evidence of murder Even worse the evidence points to Father Aguirre Mike and his ex wife law partner Rosie jump in to take the priest s case but what started out as difficult soon appears impossible as forensics witnesses and secrets from Father Aguirre s past all incriminate their client Soon their wits are the only things keeping the priest from a life sentence or worse and wits simply may not be enough unless they can conjure up a miracle of their own

**The Count and the Confession** John Taylor,2007-12-18 Roger de la Burde was an unusual and charming man a wealthy scientist and art collector he claimed to be a Polish Count wore ascots and always bowed to women But after he was found dead in the library of his Virginia estate police discovered that de la Burde was not the man he had pretended to be In fact he was such a womanizing swindler that they had no difficulty compiling a list of suspects including the tobacco company he was suing his disgruntled business associates his longtime girlfriend his pregnant mistress and her husband The woman they ultimately charged with the crime seemed the least likely of them all to commit murder Beverly Monroe was an educated and unfailingly genteel Southern mother of three who had never had so much as parking ticket But she had been de la Burde s lover for twelve years despite his frequent affairs and she made a bizarre confession under intense police questioning Was she really guilty or was she manipulated by the police With unimpeachable research Taylor reveals the multiple layers of this fascinating case and leaves readers with troubling doubts about de la Burde about Monroe and about the justice system in America
