The Spirit of Conscious Capitalism Michel Dion, Moses Pava, 2022-10-20 This book provides a constructive criticism of the emerging practice of conscious capitalism from the perspective of world religions and spiritualities Conscious capitalism to many of its adherents represents an evolutionary step forward beyond the dominant neo liberal paradigm where it often appears that just about everything is for sale Is conscious capitalism consistent with the values inherent in religious and spiritual world views and does it provide a better fit for bringing out the best that business has to offer This book answers these questions and many more An appealing read for researchers in business ethics as well as any reader critical of the excrescences of capitalism

The Pirate Organization Rodolphe Durand, Jean-Philippe Vergne, 2013 In this book Whole Foods Market cofounder John Mackey and professor and Conscious Capitalism Inc co founder Raj Sisodia argue for the inherent good of both business and capitalism Featuring some of today s best known companies they illustrate how these two forces can and do work most powerfully to create value for all stakeholders including customers employees suppliers investors society and the environment

Africapitalism Kenneth Amaeshi, Adun Okupe, Uwafiokun Idemudia, 2018-06-07 Africa is on the rise Enabled by natural resources commodity trading and the recent discovery of Africa as the last frontier of capitalism by the global market African entrepreneurs are now being empowered as economic change agents How can this new economic elite engage in the sustainable development of the continent Africapitalism the term coined by Nigerian economist Tony O Elumelu describes an economic philosophy embodying the private sector s commitment to the economic transformation of Africa through investments generating economic prosperity and social wealth The concept has attracted significant attention in both business and policy circles Promoting a positive change in approach and outlook towards development in Africa this book consolidates research and insights into the Africapitalism movement and will appeal to scholars researchers and graduate students of Africa studies international business business and society corporate social responsibility strategic management economic thought international political economy leadership and development studies

Conscious Capitalism David A. Schwerin, 2012-08-21 Conscious Capitalism shows how the principles of ancient wisdom are directly relevant to modern day business Drawing on thirty years of financial and executive experience Schwerin addresses contemporary issues faced regularly by people worldwide Personal experiences corporate field trip and interviews with top executives bring both the anguish and the triumph of our business world to life Conscious Capitalism s most significant contribution is its practical integration of formerly enshrouded principles with today s frenetic world of investing and commerce
