Sam Oputa,2018-09-25 Can anything be more agonizing than the burden of an idea that we are doomed to die at the end Imagine all your struggles on this earth and the experiences you had acquired will one day be gone as that flash of life energy leaves the encumbered casing That is exactly what most people accept to be true Our inability to understand our soul s journeys is our inability to understand our physical and immaterial existence That most of us cannot differentiate physical material and nonphysical immaterial existence is reason enough not to understand creation and its purpose But once we understand we begin to see the purpose for physical material death and the reason for the immaterial part of us to rejuvenate by taking a new cocoon a new body to continue its journeys and its purpose to learn and experience Always remember that life existed before creations
