Short Stories From The Library of Wayne King Livingston Wayne King Livingston, 2011-06-10 The stories you are about to read are from traveling and a culmination from eight years of my wife and I living among the people in lands of rich stories not excluding Ireland It has given me great joy to write of our adventures in a format that takes the best of times stirred with some pathos of fallen friends and then mixed into the tales within These reminiscences will be treasured by my wife Pat and I forever No one character is represented in his or her entirety and no narrative can be said to be an actual event These storied chapters herein capture our lives as it might have happened I have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today Not reflective in some lofty sense but as in a mirror of life that needs the rich loamy land and vibrant countryside to place one s heart into Ireland with not much doubt is the last and most beautiful virginal country left today Thanks to flying there are many corners and stories on this earth that I have seen and wrote about of great exotic beauty and depth but the endowments of pastoral Ireland leave one breathless It s soft and natural charm is

the result of native Irishmen resisting the huge industrial revolution that has changed lives within the short span of our diminutive existences The Emerald Isle is a refuge from the unbridled growth of material things Time will undoubtedly take this last resort but there are those of us who have advantaged ourselves with an affair of the heart a sojourn with Ireland The Author **Some Short Stories** Spencer Spaulding,2017-06-14 The book is a series of unrelated short stories based on the authors experiences and various news events The stories are fiction although some are suggested by actual events **Death Becomes Her and Other Short Stories** Toshan Tamhane,2023-05-25 Have you ever wanted to finish off a life really badly whether be it your own or someone you hate or worse still someone you love dearly Have you ever been to a funeral and wondered what it must feel like to be the centre of attraction just like the deceased if such a thing were possible Have you ever been excited by listening to the thrilling lives of people whose death is imminent be they famous criminals adventure seekers or people living close to the edge What would excite you more their upcoming death or the roller coaster of their lives Have you ever felt that you are actually dead but no one has buried you yet Has the drudgery of life overpowered you so much that the alternative seemed better at one point Are you lost with today s technological advances that you feel someone else or something controls your life and maybe just maybe you are actually dead Do you feel something similar to being trapped in the Matrix If your answer to any of the above questions is YES then this collection of short stories might be for you
