Confessions Of A Murdered Pope Testament Of John Paul I:

Confessions of a Murdered Pope Lucien Gregoire, 2015-09-16 His mother a devout Catholic prayed before wooden crucifixes She told him the only path to heaven was on his knees seeking selfish favors His father an atheist burned his mother's crucifixes in the stove He told him the only path to heaven was on his feet helping others Under his father's guidance he grew up free of prejudices peddled by religion He reasoned atheists have a greater chance of salvation than do the faithful He wondered how faith had come about When his father placed him in a seminary to bring change to the church he traced the evolution of Christianity from the Neanderthal to Jesus Here the reincarnated Albino Luciani in the voice of a fun and entertaining ten year old boy traces the evolution of Christianity from the Neanderthal to those who wrote of Jesus Each prophet building on the creativity of those who came before him **Children of Darkness/ Children of Light**

Margaret Foster, TDi, 2010-09 I have been having communications with Heaven since 1998 I wished to remain hidden but Jesus told me I must come out now so that as many as possible can be saved from the chastisement that is about to come upon the earth A Corrupt Tree: An Encyclopaedia of Crimes committed by the Church of Rome against Humanity and the Human Spirit A.S., 2014-01-13 A Corrupt Tree is a unique extensively researched four volume exposé of the dark side of the Church of Rome It reveals that for nearly two thousand years the Church's fundamental characteristic has been its self-serving abuse of religious corporate power A large proportion of this first volume provides a detailed catalogue of the multitude of unholy popes Included are those who were immature capricious corrupt lascivious fanatical senile truly mad megalomaniac tyrannical murderous and wholesale killers It confirms that for many many centuries the popes were corrupt cruel inhumane and despotic In an age of savagery they were the leaders in barbarity in the subsequent age of enlightenment they have persistently resisted the march of progress Additionally the popes were wholesale killers who made the principle of assassination a law of the Christian Church Accordingly the Church has shed more innocent blood than any other institution that has ever existed among mankind Here also are presented the cupidity corruption and sexual misconducts of lesser ecclesiastics including cardinals bishops priests monks and nuns Pope Honorius III for example described his priests as worse than beasts wallowing in their dung The Church's ruthless stranglehold on knowledge and learning is catalogued in detail Mathematics philosophy and science were repressed Selected applied theology ruled the world Everything was explained but nothing was understood The chapters on censorship reveal that even works of considerable literary or philosophical merit did not escape A large number of writings which eventually became classics of European culture were condemned and prohibited The Church also exhibited a vitriolic hatred of those who translated the Bible into the vernacular Many of these men were annihilated Holy books were burned in large numbers particularly the Jewish Talmud It is clearly demonstrated that the Church held back civilisation for over fifteen hundred years Century after century passed away and left the peasantry but little better than the cattle in the fields Finally the unholy behaviours of the numerous popes cardinals

and lesser ecclesiastics are shown to establish unequivocally that the Church of Rome is neither holy nor apostolic The ultimate message of these volumes is that to become an exemplary institution and to play a truly humane role in the world's future the Catholic Church must change

The International Handbook on Psychopathic Disorders and the Law Alan Felthous, Henning Sass, 2012-05-14 Reflecting the work of an international panel of experts the International Handbook on Psychopathic Disorders and the Law offers an in depth and multidisciplinary look at key aspects of the development and etiology of psychopathic disorders current methods of intervention treatment and management and how these disorders impact decision making in civil and criminal law

The Light Is On For You Cardinal Donald Wuerl, 2014-01-06 Most books about Confession are how to guides This one goes deeper showing us how the Sacrament of Reconciliation can heal us and bring us closer to God Cardinal Donald Wuerl uses his gift for teaching the faith to discuss how best to examine our conscience how to ask the Holy Spirit to reveal our sins to us and why a regular prayer time is crucial in order to get the most out of Confession and grow in our relationship with the Lord Scriptural examples as well as stories from the saints and from Catholics today help illustrate his points This book will change your experience of Confession and brings its fruits into your life
