Our Dog Red Edward C. Sellner,2019-08-26 Everyone who has lost a beloved pet knows the deep grief and heartbreak a death can cause often raising questions about the meaning of such a loss whether there is an afterlife for pets and sometimes why God would take such a dear member of the family so soon This book is the story of a father and son Ed and Daniel whose pet Red died on Good Friday in the week Christians call Holy It shows how Red s death drew them even closer while also leading each of them into new awarenesses The timing of that death also raised serious questions for Ed a pastoral theologian which he had not faced before do animals have souls What sort of God is it that we Christians believe in What was one to learn from the synchronicity of Red dying on Good Friday As a result of his grief and the questions it raised Ed found

himself being led to teaching new courses in ethics art and spirituality concerned with animals and a new field specifically called animal theology This memoir is written for those concerned with the death of their beloved pets It discusses practices and rituals helpful in dealing with grief which can contribute to healing Books in Series ,1985 Vols for 1980 issued in three parts Series Authors and Titles *The Works of Saint Augustine: v. 1. The Confessions* Saint Augustine (of Hippo),1990 **Holy Spirit, Holy Living** Antipas L. Harris,2013-07-26 The language of holiness seems outdated It is a word that comes to us thwarted by a negative history associated with undesirable restrictions and oppressive legalisms What do you do with a term that has been negatively socialized even among churches when the God of the Bible clearly states that He wants His people to be holy Holy Spirit Holy Living aims to dust off the discarded idiom and rediscover the depth and splendor of holiness What are some practical implications for theological and spiritual practice Two broad categories express the particularity of the Church in the world As such the Church must maintain peculiarity to the world First holiness properly understood speaks to being and acting in a way that reflects both a regenerated life in Christ and the ongoing renewal in Christ by the power of the Holy Spirit Secondly holiness as a lifestyle must include at least three principles rest being and doing These three standards undergird a life of conviction of faith and practice worship for God and service to others A holy life follows Christ and is Spirit filled It is unbent by society which is numb to what God wants
