Resolving Water Conflicts Workbook Lynette de Silva, Chris Maser, 2021-11-25 This book works to build trust consensus and capacity to enhance understanding through a water conflict management framework designed to bolster collaborative skills Built on case studies analysis and hands on real life applications it addresses issues of water insecurity of marginalized systems and communities global water viability institutional resilience and the inclusion of faith based traditions for climate action The authors assess the complexities of climate challenges and explain how to create sustainable effective and efficient water approaches for an improved ecological and socioeconomic future within the UN s Sustainable Development Goals

The Shanghai Cooperation Organization and Conflict De-escalation James MacHaffie, 2023-03-10 This book s main objective is to determine the role if any the Shanghai Cooperation Organization SCO plays in de escalating tensions among its members It argues that the SCO is uniquely suited to keep its disparate members many of whom have border disputes with each other from escalating tensions among themselves The book proposes a rivalry de escalation model that differs from the standard belief that rivalries de escalate due to a shock or external pressure This model states that trust can be built between two rival states when confidence building measures are instilled and utilized repeatedly over a long period of time The SCO provides these mechanisms in the form of annual summits between state leaders and routine military exercises involving military units from every member Examining three case studies involving the founding six members of the organization the book argues that the SCO is effective in keeping rivalries de escalated among its members This book will be of much interest to students of Asian politics regional security and international relations

Digital Diplomacy in Indonesia's Foreign Policy Albert Triwibowo, 2025-06-02 This book introduces the developments and practices of digital diplomacy in Indonesia s foreign policy to support diplomatic practice The analysis focuses on Indonesia s digital diplomacy

specifically its implementation by the Indonesian Ministry of Foreign Affairs and its Missions in selected locations to achieve the country's foreign policy objectives. Specific case studies on palm oil, the Rohingya crisis, and the COVID 19 pandemic are used to show how Indonesia's digital diplomacy is executed and performed. Arguing that Indonesian digital diplomacy follows a bottom up approach model in its development, the author demonstrates that Indonesia's digital diplomacy is related to state to state communication as well as state to public communication. It is also utilised for communicating sensitive issues as Indonesia is still in the first stage of digital diplomacy and is influenced by domestic interests, counternarrative interests, and information dissemination motives. The book is a valuable addition to the study of digital diplomacy specifically from the experience and perspective of a middle power country. It will be of interest to researchers in International Relations, Asian Politics.

Japan's Foreign Policy, 1945-2009 Kazuhiko Tōgō, 2010. This book stands out amongst the crop of textbooks on Japanese foreign policy that have been available to date because of its authoritative insider voice. Here we not only learn what happened in postwar Japan's foreign policy but what the thinking was behind these decisions. This is an invaluable element that brings the reader inside the policy making rooms of the Ministry of Foreign Affairs itself. In the process, Japan's world view and its own self image are concurrently revealed in fascinating and unexpected ways. This book destroys stereotypes and vastly improves the quality of our understanding of Japan as an international player. We are spoiled by the wisdom and experience of not just one but three major forces in the shaping of Japan's international existence: Mr Tōgō's own formidable experience plus the seminal contributions of his father and grandfather who was instrumental in the closing phases of World War II. All of this makes this book indispensable to those who wish to truly understand Japan in her own terms and through her own eyes. Rikki Kersten, Professor, Modern Japanese Political History, Australian National University.

Ambassador Tōgō's distinctive account of Japanese foreign policy highlights the impact of the vacuum left by the humiliation of defeat in 1945. It bears witness to the intellectual and diplomatic challenge of finding answers to unresolved issues including managing the U.S. alliance and enhancing cooperation in Asia. Updated to cover the results of the 2009 victory of the Democratic Party of Japan, this book shows how its change of course fits into a long term narrative. In contrast to more impersonal, often unsympathetic analysis of Western authors and the self serving writing of many Japanese, Tōgō offers a guide to Japan's quest, not a defense of its choices. The result is a wide ranging look at foreign policy over more than 60 years seen from the perspective of an insider attentive to a proud nation's search for its bearings. Gilbert Rozman, Musgrave Professor of Sociology, Princeton University.

Wars of Ambition Afshon Ostovar, 2024. In *Wars of Ambition*, Afshon Ostovar explores America's decline and Iran's rise in the Middle East since 9/11 and through 2023. It examines America's involvement in the region, Iran's counter to it, and how their clash for a new regional order became entwined in a broader, more complex struggle involving multiple regional and foreign powers. In telling that story, Ostovar shows how the battle for the Middle East reflects the politics and dividing lines of an emergent multipolar world.

Japan and East Asia in Transition H.

Yoshimatsu,2002-12-31 This book examines how Japan has changed its economic relationship with East Asia since the mid 1990s by looking at its commitments to import relief regional financial and industrial transformations and regionalism While the Japanese government has taken proactive initiatives to sustain the sound development of the regional economies it has become more strategic in preserving its interests in the rapid industrial transformation The book includes valuable information about Japan s trade remedy measures Sino Japan relations and regional integration in East Asia **Chinese Foreign Relations** Robert G. Sutter,2012-01-26 This comprehensive introduction to Chinese foreign relations examines the opportunities and limits China faces as it seeks growing international influence Tracing the record of twists and turns in Chinese foreign relations since the end of the Cold War Robert G Sutter provides a nuanced analysis that shows that despite its growing power Beijing is hampered by both domestic and international constraints Newly revised this edition features more extensive treatment of China s role in the international economy and greater discussion of its relations with the developing world Overall Sutter s balanced and thorough assessment shows China s leaders exerting more influence in world affairs but remaining far from dominant Facing numerous contradictions and trade offs they move cautiously as they deal with a complex global environment **Language Maintenance, Revival and Shift in the Sociology of Religion**

Rajeshwari Vijay Pandharipande,Maya Khemlani David,Miriam Eisenstein Ebsworth,2019-12-06 This volume addresses the question What role does religion play in the maintenance revival and or shift of languages The chapters in this volume explore the complex and dynamic relationship between religion and the maintenance revival and or shift of languages in different multilingual multicultural contexts under diverse sociopolitical conditions at different points in time The 12 chapters cover data from Algeria India Israel Malaysia Nigeria Singapore UK USA and Uganda and discuss the impact of context ideology identity and education on the following religions Buddhism Christianity Hinduism Islam Judaism Sikhism and some religions closely associated with China such as Confucianism and Taoism and their respective languages and varieties of language in these regions The languages discussed by the writers in this volume include Arabic English Hebrew Malay Mandarin Portuguese Punjabi Pali Sanskrit Tamazight and Yoruba Deconstructing India-Pakistan Relations Sanjeev Kumar H. M.,2023-12-14 This book examines the complex dynamics of India Pakistan relations by situating the same in the postcolonial setting of the subcontinent In pursuit of this the book analyses the impact of the linkages between the postcolonial processes of state making and the structuring of political communities upon the evolution of the problematic of state security in South Asia For the purpose of undertaking this task the author deconstructs the countries colonial history with an aim to map its impact on the making of the foreign policy of Pakistan Drawing primarily from colonial discourse theory and historical sociology the book links the trajectory of Pakistan s international politics to its domestic politics and weak state inheritances By doing this it offers a stimulating treatment of the history of the country s troubled postcolonial relations with India This has been done in the book by presenting the modes by which the religio military and politico

bureaucratic classes that constitute the power elite in Pakistan tended to have moulded an India centred State security problematique This book will be of interest to researchers studying South Asian security India Pakistan relations and the defence and foreign policy of Pakistan
