Confronting The Red Devil And Other Stories About Cancer:

All of Us Warriors Rebecca Whitehead Munn, 2025-07-30 In *All of Us Warriors* Rebecca Whitehead Munn paints a realistic picture of the impact cancer has on an individual's life and she attempts to demystify the experience by sharing heartfelt stories from twenty survivors and the loved ones of those that passed. They are mothers and fathers with seven types of cancers and all stages of the disease as well as advice regarding how to approach someone you love living with cancer and tips and tricks for helping others feel joy in the midst of pain. This inspirational book provides a positive outlook of strength and perseverance through belief in a higher power reinforcing the idea that the reader is stronger than cancer and not alone and offering real strategies that cannot be found in online medical sites. Like a conversation with a new best friend or twenty of them *All of Us Warriors* is full of understanding, acceptance and practical advice gained from personal experience.

I Lived Because I Was Loved Todd Irwin, 2024-11-06 Todd Irwin refers to his life before and after cancer. Even though he spent fifty-six years cancer-free, the two and a half years during which he battled cancer were defining. More than 1,000 miles away Glenn Thornton struggled with addiction and grieved the unexpected death of his child, but he soon discovered a renewed purpose for his life. In *I Lived Because I Was Loved* Irwin shares the story of his battle with cancer and Thornton shares his story of donating stem cells that helped save Irwin's life. In addition, Marie Irwin's wife offers her perspective of his cancer journey and recovery. Through these recollections, this memoir tells how the two families met and forged a bond saving each other's lives in the name of love. This true story illustrates how love and kindness helped strangers face their own tragedies.

A Journey of Unconditional Love Michele Bell, 2018-03-23 Nicky Bell diagnosed with Ewing's Sarcoma at age thirteen died five years later with his mother and best friend at his side. *A Journey of Unconditional Love* tells Nicky and Michele's story describing the battle with cancer in great detail. However, this book is about more than cancer and its treatment and the fight to survive. It's about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight. It's about more than death. This book is about life. It's about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control. It's about what each had learned from the other and the influential roles played in their life experiences. It is about how it still affects the life of the one left behind. It's about the depth of human spirit and the soul's ultimate survival along with what the survivor is supposed to do with that energy. The connection between this mother and her son has lived on long after his passing and it continues to be a force in this mother's life every day. The inspiration in this story comes from the millions of small everyday moments, the choices made, the words spoken and the unconditional love that makes such a seemingly senseless experience somehow bearable. This book gives a voice to parents and loved ones, caregivers and patients, those who relate to this loss and those who know they feel every heartbeat in this story but who also struggle to come to grips with their own experience.
