Confusions Five Interlinked Oneact Plays

Paul Elsam

Confusions Five Interlinked Oneact Plays:

Confusions Alan Ayckbourn, 1977 Ayckbourn's series of five interlinked one act plays typifies his interactive comedies of human behaviour. The plays are alternately naturalistic, stylised and farcical but underlying each is the problem of loneliness. Whether the comedy concerns marital conflict, infidelity or motherhood, is set on a park bench or at a village fete, the characters are immediately familiar and their cries for help instantly recognisable. **BOOK JACKET**

Confusions Alan Ayckbourn, 2013-12-04 A student edition of five one act plays by Britain's most popular playwright. Ayckbourn's series of plays for 4-5 actors typify his black comedies of human behaviour. First produced in 1976, the plays are alternately naturalistic, stylised and farcical but underlying each is the problem of loneliness. *The Mother Figure* shows a mother unable to escape from baby talk; in *The Drinking Companion* an absentee husband attempts seduction without success; in *Between Mouthfuls* a waiter oversees a fraught dinner encounter; a garden party gets out of hand in *Gosforth's Fete* whilst *A Talk in the Park* is a revue style curtain call piece for the five actors. Whether the comedies concern marital conflict, infidelity or motherhood and take place on a park bench or at a village fete, the characters are familiar and their cries for help instantly recognisable. Principally, he is respected as a radical re-inventor of form. **Dominic Dromgoole** Modern Dramatists Kimball King, 2013-04-03 This comprehensive collection gathers critical essays on the major works of the foremost American and British playwrights of the 20th century, written by leading figures in drama performance studies. *Samuel French's Basic Catalogue of Plays* Samuel French, Inc., **The One-Act Play Companion** Colin Dolley, Rex Walford, 2015-01-30 The one act play stands apart as a distinct art form with some well known writers providing specialist material among them Bernard Shaw, Tom Stoppard, Harold Pinter, Caryl Churchill, Alan Ayckbourn, Edward Albee and Tennessee Williams. There are also lesser known writers with plenty of material to offer yet sourcing one act plays to perform is notoriously hard. This companion is the first book to survey the work of over 250 playwrights in an illuminating A-Z guide. Multiple styles, nationalities and periods are covered, offering a treasure trove of compelling moments of theatre waiting to be discovered. Guidance on performing and staging one act plays is also covered, as well as essential contact information and where to apply for performance rights. A chapter introducing the history of the one act play rounds off the title as a definitive guide. *The Guide to Selecting Plays* Samuel French Ltd, 2006 Acting Characters Paul Elsam, 2011-09-01 Paul Elsam's *Acting Characters* is an introductory handbook for the aspiring actor, compiled of twenty steps grouped into six sections to help create, present and sustain a believable character in most circumstances. Fundamentally practical, the book avoids the heavy discussion of theory that often accompanies books on the subject, looking instead at the essentials of how to use different voices and body language to convey character. *Alan Ayckbourn* Sidney Howard White, 1984 **Alan Ayckbourn** Michael Billington, 1990 Bibliographic Guide to Theatre Arts New York Public Library. Research Libraries, 1978
