Constitutional Secularism In An Age Of Religious Revival:

Constitutional Secularism in an Age of Religious Revival Susanna Mancini, Michel Rosenfeld, 2014 Traditional models of constitutional secularism have struggled to accommodate the modern revival of religious politics The concept has been criticised as empty or illegitimate while political and legal struggles have contested its meaning This book gathers leading experts to examine the scope and substance of constitutional secularism today Constitutional Secularism in an Age of Religious Revival Susanna Mancini (jurist.), Michel Rosenfeld, 2014 Traditional models of constitutional secularism have struggled to accommodate the modern revival of religious politics The concept has been criticised as empty or illegitimate while political and legal struggles have contested its meaning This title gathers leading experts to examine the scope and substance of constitutional secularism today **Freedom of Religion, Secularism, and Human Rights** Nehal Bhuta, 2019-01-24 This interdisciplinary volume examines the relationship between secularism freedom of religion and human rights in legal theoretical historical and political perspective It brings together chapters from leading scholars of human rights law and religion political theory religious studies and history and provides insights into the state of the debate about the relationship between these concepts Comparative in orientation its chapters draw on constitutional and political discourses and experience not only from Western Europe and the United States but also from India the Arab world and Malaysia *Secularism, Decolonisation, and the Cold War in South and Southeast Asia* Clemens Six, 2017-07-20 The intensifying conflicts between religious communities in contemporary South and Southeast Asia signify the importance of gaining a clearer understanding of how societies have historically organised and mastered their religious diversity Based on extensive archival research in Asia Europe and the United States this book suggests a new approach to interpreting and explaining secularism not as a Western concept but as a distinct form of practice in 20th century global history In six case studies on the contemporary history of India Indonesia Malaysia and Singapore it analyses secularism as a project to create a high degree of distance between the state and religion during the era of decolonisation and the emerging Cold War between 1945 and 1970 To demonstrate the interplay between local and transnational dynamics the case studies look at patterns of urban planning the struggle against religious nationalism conflicts around religious education and anti communism as a dispute over secularism and social reform The book emphasises in particular the role of non state actors as key supporters of secular statehood a role that has thus far not received sufficient attention A novel approach to studying secularism in Asia the book discusses the different ways that global transformations such as decolonisation and the Cold War interacted with local relations to reshape and relocate religion in society It will be of interest to scholars of Religious Studies International Relations and Politics Studies of Empire Cold War Studies Subaltern Studies Modern Asian History and South and Southeast Asian Studies **A Secular Age beyond the West** Mirjam Künkler, John Madeley, Shylashri Shankar, 2018-07-05 This book traces religion and secularity in eleven countries not shaped by Western Christianity Japan China Indonesia India Pakistan

Iran Russia Turkey Israel Egypt and Morocco and how they parallel or diverge from Charles Taylor's grand narrative of the North Atlantic world *A Secular Age* 2007 In all eleven cases the state enhanced by post colonial and post imperial legacies highly determines religious experience by variably regulating religious belief practice property education and or law Taylor's core condition of secularity namely legal permissibility and social acceptance of open religious unbelief Secularity III is largely absent in these societies The areas affected by state regulation however differ greatly In India Israel and most Muslim countries questions of religious law are central to state regulation But it is religious education and organization in China and church property and public practice in Russia that bear the brunt This book explains these differences using the concept of differential burdening Institutionalizing Rights and Religion Leora Batnitzky, Hanoch Dagan, 2017-03-23 Modern statesmen and political theorists have long struggled to design institutions that will simultaneously respect individual freedom of religion nurture religion's capacity to be a force for civic good and human rights and tame religion's illiberal tendencies Moving past the usual focus on personal free expression of religion this illuminating book written by renowned scholars of law and religion from the United States England and Israel considers how the institutional design of both religions and political regimes influences the relationship between religious practice and activity and human rights The authors examine how the organization of religious communities affects human rights and investigate the scope of a just state's authority with respect to organized religion in the name of human rights They explore the institutional challenges posed by and possible responses to the fraught relationship between religion and rights in the world today Judicial Power Christine Landfried, 2019-02-07 The power of national and transnational constitutional courts to issue binding rulings in interpreting the constitution or an international treaty has been endlessly discussed What does it mean for democratic governance that non elected judges influence politics and policies The authors of *Judicial Power* legal scholars political scientists and judges take a fresh look at this problem To date research has concentrated on the legitimacy or the effectiveness or specific decision making methods of constitutional courts By contrast the authors here explore the relationship among these three factors This book presents the hypothesis that judicial review allows for a method of reflecting on social integration that differs from political methods and precisely because of the difference between judicial and political decision making strengthens democratic governance This hypothesis is tested in case studies on the role of constitutional courts in political transformations on the methods of these courts and on transnational judicial interactions Canada in the World Richard Albert, David R. Cameron, 2017-11-02 In this volume marking the Sesquicentennial of Confederation in Canada leading scholars and jurists discuss the evolution of the Canadian Constitution since the British North America Act 1867 the role of the Supreme Court in interpreting the Constitution as a living tree capable of application to new legal issues and the growing influence of both the Constitution with its entrenched Charter of Rights and Freedoms and the decisions of the Court on other constitutional courts dealing with a wide range of issues pertaining to human rights and democratic government The

contributors assess how the Canadian Constitution accommodates the cultural diversity of the country's territories and peoples while ensuring the universal applicability of its provisions the role of the Court in interpreting and applying the Constitution and the growing global influence of the Constitution and decisions of the Court on legislatures and courts in other countries

Freedom of Religion, Minority Rights and the Law Aleksandra Gliszczyńska-Grabias, Aviad Hachohen, 2025-08-08 This book provides an in depth scholarly reflection on the challenges that arise in guaranteeing religious freedom and protection of the rights of religious minorities in law and practice Currently the protection of religious minorities constitutes one of the foundations of the international human rights protection systems and is provided for in the constitutions of all democratic states The volume identifies analyses and assesses the legal status of religious freedom and protection of religious minorities with special focus on Jewish and Muslim minorities in the European and Israeli legal environments It compares the discourses on the scope and boundaries of religious freedom with the actual treatment of religious freedom in legal regulations the case law and in practice by the general society The book employs the resources of comparative law and national and international law as well as legal theory Extensive use is also made of decisions of the international courts including the European Court of Human Rights and the Court of Justice of the European Union The book will be a valuable resource for academics researchers and policymakers working in the areas of law and religion international human rights law comparative constitutional law and religious studies

The ^Israeli Constitution Gideon Sapir, 2018-07-26 This book evaluates the development of the Israeli constitution from an unwritten British style body of law to the declaration of the Basic Laws as the de facto Israeli constitution by the supreme court and on through the present day
