

CONSTRUCTION SAFETY PROGRAM/SAFETY MANUAL AND PROCEDURES

SAFETY PRECAUTION

1. The Contractor is responsible for the safety of all persons engaged in the execution of works.
2. The Contractor, their sub-contractors and all persons employed by them are to comply in every respect with the provisions of any relevant statutory requirements as may be considered applicable to the Works or any temporary works. In particular, when working with drains and sewers, the Contractor is to observe adequate safe working procedures.
1. The Contractor is to provide and enforce the wearing of efficient helmets, and where necessary, face masks, eye goggles, ear protectors, safety harnesses and other personal protection equipment for all personnel. If required by the Project Manager the Contractor shall submit for approval detailed proposals for emergency procedures and safety regulations.

SECURITY

ENTRANCE CONTROL

Control of all persons entering and leaving the project site shall be provided by the Contractor's own personnel during the construction period on-site. The Contractor shall exclude from the site personnel not properly identified. The Contractor shall:

- A. Maintain a current list of accredited persons and submit a copy of the list to the Construction Manager.
- B. Require display of proper identification by each person.
- C. Require personnel to sign in upon entering the site and to sign out when leaving.
- D. The Contractor will be responsible for recompensing the Owner for acts of vandalism, stolen valuables or any damage to the site by intruders.

SITE SECURITY

- A. The Contractor is responsible for the security of all personnel, equipment, tools, vehicles, field offices, sheds and employees facilities during the active construction period.
- B. The Contractor shall submit to the Construction Manager a site safety plan to ensure that safety procedures are implemented at the site. The Contractor shall see to it that all the following information have been given to the workers:
 - a. The nearest hospital route
 - b. Locations of fire extinguishers and fire stations
 - c. Provisions for first aid treatment for injured workers
 - d. Safety to workers against physical hazards
 - e. Fire prevention program
 - f. Basic rules of personal safety and conduct
 - g. Standard operating procedures given to workers on the site safety

Construction Safety Program Manual

Lois Flynn

Construction Safety Program Manual:

Construction Safety Manual Dave Heberle, 1998 Construction work site safety is an important part of a builder's cost of doing business. This text is a guide to managing residential and light commercial construction safety. It addresses why and how contractors must educate themselves and their crews to practice safety at work. Construction Safety and Loss Control Program Manual Andrew Civitello, Jr., 1998-03-26 As an immediately useful ready for adaption model, this manual is a valuable tool for contractors and subcontractors in the construction industry implementing the overwhelming OSHA requirements. Successfully utilized in the field, the Manual can be customized to accommodate all areas of construction. Construction Safety and Loss Control Program Manual is topically organized for easy access to essential information, provides interpretations of the generic OSHA requirements specifically suited to the construction industry, offers checklists, summaries, and step by step directions for implementation of the requirements. Liability for every construction company, no matter how large or small, is enormous. The Manual, packed with valuable applicable and useable information, is just the tool necessary to minimize a company's liability and improve safety programs and employee awareness. **Construction Management Safety Program Manual**, 1999-01-01 Use this invaluable guide to develop a comprehensive safety program for your company. This helpful manual can be used to establish, document, and communicate an effective company-wide safety program. By promoting excellence in safety, you can increase productivity, profitability, and prosperity and protect the welfare of your employees. **Handbook of OSHA Construction Safety and Health** Charles D. Reese, James Vernon Eidson, 2006-03-23 A practical guide for eliminating safety and health hazards from construction worksites, the Handbook of OSHA Construction Safety and Health addresses the occupational safety and health issues faced by those working in the construction industry. The book covers a vast range of issues, including program development, safety and health program implementen.

Construction Safety Handbook Mark McGuire Moran, 2003-07 This much anticipated new edition provides employers and employees with a day to day guide to reducing accidents and injuries, ensuring compliance, avoiding fines and penalties, and controlling workers compensation costs. You'll not only find comprehensive discussions on all of the construction safety regulations found in the Code of Federal Regulations, CFR Title 29 Part 1926, but you'll also find the actual legal text of the regulations and overviews for each subpart for easier reference. This Construction Safety Handbook covers both the obvious and the hidden dangers of construction and addresses the latest changes in OSHA standards, including new recordkeeping requirements, new ergonomic guidelines, new requirements in the Steel Erection standard, and new additions to signs, signals, and barricade requirements. Written in plain English, this comprehensive handbook provides you with the legal background, practical advice, and ready to use written compliance programs you need to ensure your sites meet workplace safety requirements, protect workers, and comply with the standards. Each chapter provides a description of the requirements of the standard and a sample written compliance program, checklists, and the appropriate citations from the 29 CFRs. The latest

changes in enforcement and inspection policy are also detailed and a list of OSHA's most frequently cited construction standards is given Worker Protection Programs in Construction Meridian Research, Inc,1994 The Contractor's Guide to Quality Concrete Construction ,2005 **A Subject Bibliography from Highway Safety Literature** United States. National Highway Traffic Safety Administration,1978 Technical Reports of the National Highway Traffic Safety Administration Lois Flynn,1976 **Construction Technology For Tall Buildings (4th Edition)** Yit Lin Michael Chew,2012-06-04 This book introduces the latest construction practices and processes for tall buildings from foundation to roof. It attempts to acquaint readers with the methods, materials, equipment, and systems used for the construction of tall buildings. The text progresses through the stages of site investigation, excavation, and foundations; basement construction; structural systems for the superstructure; site and material handling; wall and floor construction; cladding; and roof construction. The construction sequence, merits, and limitations of the various proprietary systems commonly used in these respective stages are discussed. This fourth edition also includes several new topics not covered in the previous edition. The target readers are practitioners and students in the related professions including architecture, engineering, building, real estate, construction, project and facilities management, and quantity and land surveying.

The Enigmatic Realm of **Construction Safety Program Manual**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Construction Safety Program Manual** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of people who partake in its reading experience.
