The Complete Works of John L. Motley (Classic Reprint) John Lothrop Motley, 2015-07-06 Excerpt from The Complete Works of John L. Motley Mr Sheridan has a good deal of the family fascination being still very handsome with a very winning address One of his daughters is very pretty and is just engaged to be married to the eldest son of Lord Poltimore This dinner although merely a family one was one of the pleasantest I have been at When there is one such person at table as Lady Dufferin of course it makes all the difference She has known everybody and tells peppery anecdotes strikes out little portraits and talks on grave and gay subjects with the same animation and brilliancy Then she paints beautifully having adorned the panels of her own boudoir with her own pencil and is perpetually writing clever verses When well dressed she is very pretty but she never could have had the beauty of Mrs Norton who has the head of a classic Muse and the eyes of a sibyl I brought Sheridan into town who asked me for a lift that some one else might be accommodated in his carriage and he made himself very agreeable during the drive About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
