

Read the following passage, then answer the questions below:

The zoo is one of the most interesting places in Kuwait. It is a place where we can see animals from different countries. Some people don't like zoos. They think it is very cruel to keep animals in cages. Other people think that it's good for animals to be in the zoo for many reasons; the animals have good food every day. If they are ill, they are given medicine. In the zoo, they will be safer.

Large animals like tigers, lions, bears and elephants are unhappy in cages because they used to live in wide open areas. They like to live freely. Most children enjoy their visit to the zoo. They enjoy watching the animals. They usually prefer to look at huge animals. Some of them are very unkind to animals. They throw things at them and annoy them.
