Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City:

Compromised Positions Katherine Elaine Bliss, 2010-11-01 To illuminate the complex cultural foundations of state formation in modern Mexico *Compromised Positions* explains how and why female prostitution became politicized in the context of revolutionary social reform between 1910 and 1940 Focusing on the public debates over legalized sexual commerce and the spread of sexually transmitted disease in the first half of the twentieth century Katherine Bliss argues that political change was compromised time and again by reformers own antiquated ideas about gender and class by prostitutes outrage over official attempts to undermine their livelihood and by clients unwillingness to forgo visiting brothels despite revolutionary campaigns to promote monogamy sexual education and awareness of the health risks associated with sexual promiscuity In the Mexican public s imagination the prostitute symbolized the corruption of the old regime even as her redemption represented the new order s potential to dramatically alter gender relations through social policy Using medical records criminal case files and letters from prostitutes and their patrons to public officials *Compromised Positions* reveals how the contradictory revolutionary imperatives of individual freedom and public health clashed in the effort to eradicate prostitution and craft a model of morality suitable for leading Mexico into the modern era

Global Anti-Vice Activism, 1890-1950 Jessica R. Pliley, Robert Kramm, Harald Fischer-Tiné, 2016-07-04 Vice was one of the primary shared interests of the global community at the turn of the twentieth century Anti vice activists worked to combat noxious substances such as alcohol drugs and cigarettes and immoral sexual activities such as prostitution Nearly all of these activists approached the issue of vice by expressing worries about the body its physical health and functionality By situating anti vice politics in their broader historical contexts *Global Anti Vice Activism 1890 1950* sheds fresh light on the initiatives of various actors organizations and institutions which have previously been treated primarily within national and regional boundaries Looking at anti vice policy from both social and cultural historical perspectives it illuminates the centrality of regulating vice in imperial and national modernization projects The contributors argue that vice and vice regulation constitute an ideal topic for global history because they bridge the gap between discourse and practice and state and civil society

Gender, Sexuality, and Power in Latin America Since Independence William E. French, Katherine Elaine Bliss, 2007 Integrates gender and sexuality into the main currents of historical interpretation concerning Latin America

The Ambivalent Revolution Stephen E. Lewis, 2005 Why did the Zapatista rebellion occur in Chiapas and not in some other state in southern Mexico where impoverished marginalized indigenous peasants also suffer a legacy of exploitation and repression Stephen Lewis believes the answers can be found in the 1920s and 1930s During those critical years Mexico s most important state and nation building agent the Ministry of Public Education SEP struggled to introduce the reforms and institutions of the Mexican revolution in Chiapas In 1934 the administration of president L zaro C rdenas endorsed socialist education turning federal teachers into federal labor inspectors and promoters of agrarian reform Teachers also attempted to incorporate indigenous

populations and forge a more sober defanaticized nationalist citizenry SEP activism won over most mestizo communities after 1935 but enraged local ranchers planters and politicians unwilling to abide by the federal blueprint In the Maya highlands federal education was a more categorical failure and Cardenista Indian policy had unintended even sinister consequences By 1940 Cardenismo and SEP populism were in full retreat even as mestizo communities came to embrace the culture of schooling and identify with the Mexican nation Fifty years later the delayed incomplete and corrupted nature of state and nation building in Chiapas prevented resolution of the state s most pressing problems As Lewis concludes the Zapatistas appropriated the federal government s discarded revolutionary nationalist discourse in 1994 and launched a rebellion that challenged the Mexican state to contemplate a plural multi ethnic nation

Plutarco Elías Calles and the Mexican Revolution Jürgen Buchenau, 2023-06-14 This biography of the Mexican revolutionary examines his rise from soldier to president to his continued influence as Jefe Maximo Hailing from the border state of Sonora Plutarco Elías Calles found his calling in the early years of the revolution quickly rising to national prominence As president from 1924 to 1928 Calles undertook an ambitious reform program modernized the financial system and defended national sovereignty against an interventionist U S government Yet these reforms failed to eradicate underdevelopment corruption and social injustice Moreover his unyielding campaigns against political enemies and the Catholic Church earned him a reputation as a repressive strongman After his term as president Calles continued to exert broad influence as his country s foremost political figure while three weaker presidents succeeded each other in an atmosphere of constant political crisis He played a significant role in founding a ruling party that reined in power hungry military leaders and helped workers attain better living conditions This dynastic party and its successors including the present day Partido Revolucionario Institucional Party of the Institutional Revolution remained in power until 2000 Through this comprehensive assessment of a quintessential Mexican politician Buchenau opens an illuminating window into both the Mexican Revolution and contemporary Mexico

Peripheral Nerve Anne-Emanuelle Birn, Raúl Necochea López, 2020-07-24 Buenos Aires psychoanalysts resisting imperialism Brazilian parasitologists embracing communism as an antidote to rural misery Nicaraguan revolutionaries welcoming Cuban health cooperation Chilean public health reformers gauging domestic approaches against their Soviet and Western counterparts As explored in Peripheral Nerve these and accompanying accounts problematize existing understandings of how the Cold War unfolded in Latin America generally and in the health and medical realms more specifically Bringing together scholars from across the Americas this volume chronicles the experiences of Latin American physicians nurses medical scientists and reformers who interacted with dominant U S and European players and sought alternative channels of health and medical solidarity with the Soviet Union and via South South cooperation Throughout Peripheral Nerve highlights how Latin American health professionals accepted rejected and adapted foreign involvement manipulated the rivalry between the United States and the USSR and forged local variants that they projected internationally

In so doing this collection reveals the multivalent nature of Latin American health politics offering a significant contribution to Cold War history Contributors Cheasty Anderson Anne Emanuelle Birn Katherine E Bliss Gilberto Hochman Jennifer L Lambe Nicole Pacino Carlos Henrique Assun o Paiva Jadwiga E Pieper Mooney Ra l Necochea L pez Marco A Ramos Gabriela Soto Laveaga Death in Old Mexico Nicole von Germeten,2023-03-09 An evocative history of colonial Mexico s crime of the century and its lasting impact on the new Mexican nation in the nineteenth century **Fanáticos, Exiles, and Spies** Julian F. Dodson,2019-03-27 Borders and boundaries are porous especially in the context of political revolutions Historian Julian F Dodson has uncovered the story of postrevolutionary Mexico s attempts to protect its northern border from various plots hatched by groups exiled in the United States Such plots sought to overthrow the regime of President Plutarco El as Calles in the 1920s These borderland battles were largely fought through espionage pitting undercover agents of the government s Departamento Confidencial against various groups of political exiles themselves experienced spies who were now residing in American cities such as Los Angeles Tucson San Antonio and Brownsville *Fan ticos Exiles and Spies* shows that in successive waves the political and military exiles of the Mexican Revolution 1910 1920 sought refuge in and continued to operate from urban centers along the international boundary The de la Huerta rebellion of 1923 and the Cristero War of 1926 1929 defined the bloody religious conflict that dominated the decade even as smaller rebellions bubbled up along the border often funded by politically connected exiles Previous scholarship has tended to treat these various rebellions as isolated episodes but Dodson argues that the violent popular and military uprisings were not isolated at all They were nothing less than an extension of the violence and fratricidal warfare that so distinctly marked the preceding decade of the revolution *Fan ticos Exiles and Spies* reveals the fluidity of a border between two nations before it hardened into the political boundary we know today *Encyclopedia of Social Welfare History in North America* John M. Herrick,Paul H. Stuart,2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments **Surgery and Salvation** Elizabeth O'Brien,2023-11-14 In this sweeping history of reproductive surgery in Mexico Elizabeth O Brien traces the interstices of religion reproduction and obstetric racism from the end of the Spanish empire through the post revolutionary 1930s Examining medical ideas about operations including cesarean section abortion hysterectomy and eugenic sterilization Catholic theology and notions of modernity and identity O Brien argues that present day claims about fetal personhood are rooted in the use of surgical force against marginalized and racialized women This history illuminates the theological patriarchal and epistemological roots of obstetric violence and racism today O Brien illustrates how ideas about maternal worth and unborn life developed in tandem Eighteenth century priests sought to save unborn souls through cesarean section

while nineteenth century doctors aimed to salvage some unmarried women's social reputations via therapeutic abortion. By the twentieth century eugenicists wished to regenerate the nation's racial profile in part by sterilizing women in public clinics. The belief that medical interventions could redeem women, children, and the nation is what O'Brien refers to as salvation through surgery. As operations acquired racial and religious significances, Indigenous Afro-Mexican and mixed-race people's bodies became sites for surgical experimentation. Even during periods of Church-state conflict, O'Brien argues, the religious valences of experimental surgery manifested in embodied expressions of racialized and often coercive medical science.

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is in point of fact problematic. This is why we give the books compilations in this website. It will certainly ease you to see guide **Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best place within net connections. Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free

Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City is one of the best book in our library for free trial. We provide copy of Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Compromised Positions Prostitution Public Health And Gender Politics In Revolutionary Mexico City.
