Development Sexual Rights And Global Governance Ripe Series In Global Political Economy:

Development, Sexual Rights and Global Governance Amy Lind, 2010-01-04 This book addresses how sexual practices and identities are imagined and regulated through development discourses and within institutions of global governance The underlying premise of this volume is that the global development industry plays a central role in constructing people's sexual lives access to citizenship and struggles for livelihood Despite the industry's persistent insistence on viewing sexuality as basically outside the realm of economic modernization and anti poverty programs this volume brings to the fore heterosexual bias within macroeconomic and human rights development frameworks The work fills an important gap in understanding how people's intimate lives are governed through heteronormative policies which typically assume that the family is based on blood or property ties rather than on alternative forms of kinship By placing heteronormativity at the center of analysis this anthology thus provides a much needed discussion about the development industry's role in pathologizing sexual deviance yet also more recently in helping make visible a sexual rights agenda Providing insights valuable to a range of disciplines this book will be of particular interest to students and scholars of Development Studies Gender Studies and International Relations It will also be highly relevant to development practitioners and international human rights advocates The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9780203868348> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *New Books on Women, Gender and Feminism*, 2010 *The Global Political Economy of Trade Protectionism and Liberalization* Tony Heron, 2012 Examines the social political and economic impacts of trade paying attention to the textiles and clothing sector with respect to developing countries This book is suitable for those studying and researching international and comparative political economy developing area studies economics law and geography *New Books on Women and Feminism*, 2011 [Critical Perspectives on Global Governance](#) Jean Grugel, Nicola Piper, 2007-12-12 The first in depth analysis of how global governance impacts on the lives of ordinary people This new volume includes four detailed case studies on labour migration children and development that explore the actual nature of governance policies in the GPE Jean Grugel and Nicola Piper clearly show how global governance the creation of global norms and regimes to regulate politics economic and social actors suggests and promotes ideals such as stable politics democracy human rights and individualism with a strategy to create a more ordered and ultimately better world They move away from the traditional focus on lites states and global institutions to explore and analyze how liberal global governance is really affecting ordinary people and how this is often an obstacle to development citizenship voice and inclusion Paying particular attention to the global South Asia and Latin America these expert authors trace the development of liberal global governance They also clearly examine and study how this regulation has spread from areas such as trade and investment to development labour migration children and the environment [The Family in Global Perspective](#) Elaine J. Leeder, 2003-12-11 The Family in Global Perspective A Gendered Journey examines the continually

changing face of family life in the United States and from culture to culture Written in an engaging style the book provides a global viewpoint about family issues enabling readers to think critically about family life in cultures beyond their own In *The Family in Global Perspective* author Elaine J Leeder uses various historical theoretical and comparative perspectives to develop a cross cultural understanding of family life The book examines a variety of family lives in western countries and contrasts them with those of families in parts of Africa Asia and Latin America After comparing the history of the family in various parts of the globe the author then looks at the impact of globalization on family structures gendered behavior intergenerational relationships relationship dissolution race ethnicity and class issues violence and social policy *The Family in Global Perspective* is an ideal supplementary textbook for courses on marriage and the family in a variety of disciplines including Family Studies Sociology Social Work Psychology and Women s Studies is an ideal supplementary textbook for courses on marriage and the family in a variety of disciplines including Family Studies Sociology Social Work Psychology and Women s Studies

The Uses of Institutions: The U.S., Japan, and Governance in East Asia G. Ikenberry, T. Inoguchi, 2007-02-19 This book explores the ways that institutions play a role or fail to in Japanese and American approaches to regional governance in East Asia It uses recent studies on the logic and dynamics of institutions to determine the logic of order within the East Asia region The central focus is on bilateral and multilateral regional institutions

UN-Tied Nations Kate Seaman, 2016-02-24 With the recent developments in Syria the United Nations is once again making headlines The failure to reach an agreement on a Security Council resolution demonstrates the continued problems in forging a coherent international response to crisis situations This lack of coherence continues despite recognition of the need for more cooperation to solve the growing list of global problems With the relative success of global governance initiatives in relation to the environment health issues and economic problems the focus has increasingly shifted to the problems of international security This timely and important book represents a response to that shift and the implications this has for the wider international system Using a number of relevant case studies including the UN interventions in Bosnia Somalia Burundi the Democratic Republic of Congo and East Timor it examines the securitisation of global governance through the prism of United Nations Peacekeeping Operations and demonstrates that the development of both global governance and global security governance have transformed the environment in which international organisations such as the United Nations are operating Moreover this book brings together a number of the key academic debates surrounding both global security governance and peacekeeping It combines an examination of the power relations of global security governance with the changing nature of peacekeeping operations By bringing the two areas together the book for the first time bridges existing literatures and debates from theoretical discussions of global governance to practical examinations of peacekeeping operations *UN Tied Nations* provides a concise and analytical introduction to the ongoing debates around the development of global governance global security governance and the continuous impact these are having on the ability of the United

Nations to act as an international peacekeeper *Research Handbook on Feminist Political Thought* Mary Caputi, Patricia Moynagh, 2024-05-02 Illustrating the collective power and relevance of feminist theory today Mary Caputi and Patricia Moynagh have carefully selected a diverse international range of leading scholars and activists to critically assess key social and political challenges in the twenty first century This Research Handbook demonstrates a variety of feminist analyses that offer compelling insights into an array of topics including police brutality the carceral state racial and sexualised violence trans rights climate change and the denial of reproductive rights Sexuality, Gender and Rights Geetanjali Misra, Radhika Chandiramani, 2005-11-23 This volume analyzes and documents the groundbreaking work done by many organizations to bring issues of sexuality and rights to public attention to expand the freedoms of women and sexual minorities and to highlight the unfair distinctions faced by those not conforming to gender and sexual norms across a range of expressions behaviours and identities in Asia This volume covers eight countries in South and Southeast Asia The contributors address issues of power and social hierarchies by using the principles of justice equality non discrimination and access to rights and services They cover diverse issues like sexual rights sexuality education sexual health services transsexuals and other sexual minorities HIV AIDS prevention as well as sex work and the representation of sexuality in popular culture The contributors argue that neither gender nor sexuality can be addressed in isolation from human rights and demonstrate how linking sexuality and gender with human rights has an impact on people s lives across intersecting issues and contexts Moving beyond theoretical discussions of sexuality gender and rights this volume looks at what these ideas mean in practice and offers examples of the diversity of effective approaches that can be adopted in varied settings Moreover it illustrates how sexuality ties in with wider issues health personal relationships economic well being equitable access to public services and the freedom to think speak and associate without fear of discrimination
