Champagne Salary Diary Of A Tokyo Hostess:

Champagne Salary Rose Beach, 2012-05 Champagne Salary diary of a Tokyo hostess is an informative and entertaining account of the Japanese hostess industry as seen through the eyes of a young Canadian woman who sets off on an adventure of a lifetime. Along the way she finds out that she possesses a fierce inner strength that carries her through life's challenges and the difficult times.

Gendering Postsocialism Yulia Gradskaia, Ildikó Asztalos Morell, 2018-03-14 Gendering Postsocialism explores changes in gendered norms and expectations in Eastern Europe and Eurasia after the fall of the Berlin Wall. The dismantlement of state socialism in these regions triggered monumental shifts in their economic landscape, the involvement of their welfare states in social citizenship, and crucially their established gender norms and relations, all contributing to the formation of the postsocialist citizen. Case studies examine a wide range of issues across 15 countries of the post-Soviet era. These include gender aspects of the developments in education in Kazakhstan, Uzbekistan, and Hungary; controversies around abortion legislation in Poland; migrant women and housing as a gendered problem in Russia; challenges facing women's NGOs in Bosnia; and identity formation of unemployed men in Lithuania. This close analysis reveals how different variations of neoliberal ideology, centred around the notion of the self-reliant and self-determining individual, have strongly influenced postsocialist gender identities, whilst simultaneously showing significant trends for a retraditionalising of gender norms and expectations. This volume suggests that despite integration with global political and free market systems, the postsocialist gendered subject combines strategies from the past with those from contemporary ideologies to navigate new multifaceted injustices around gender in Eastern Europe and Eurasia.
