Bullyocracy Donald Jeffries,2020-01-03
Bestselling author Donald Jeffries turns his critical eye onto the topic of bullying to show how teachers principals and other school officials invariably side with the bullies in the most egregious cases instead of protecting the victims He also shows how many so called anti bullying activists and nearly all the professional experts excuse bullying and in fact laud sociopathic behavior in general As Jeffries demonstrates this curious phenomenon is due to the power and influence of the social hierarchy and it revolves to a great extent around the enduring popularity of sports Jeffries talked to parents who d battled a system that logically should have been working for them some of whom lost a child to bullycide the term for children who kill themselves over bullying His investigation into what has become one of the most talked about issues in America is as explosive and controversial as anything he has written *Free at Last* Derrick McCarron,2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine

of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in Free at Last Derrick McCarron takes us on a verse by verse journey through Paul s bondage busting manifesto You may be surprised to learn that Paul s message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind s inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren t living by grace then we have succumbed to spiritual slavery

Hopefully Lenya Heitzig, 2018-01-01 This all new 20 minutes a day study of Nehemiah reminds readers that with God s help one person who is ready to do the impossible can change the world Hope is not wishful thinking It is a confident expectation for the future Nehemiah knew how to live with true hope After boldly requesting permission from the king to rebuild the walls of Jerusalem after the Babylonian exile he restored the city and called his people back to God Despite opposition on all sides Nehemiah saw God transform a cup bearer into a contractor ruins into a city and a wayward people into followers of God As Bible teacher Lenya Heitzig reminds readers in this new Fresh Life study God calls them to live boldly with a hope that only He can give

Will Africa Feed China? Deborah Brautigam, 2015-10-07 Is China building a new empire in rural Africa Over the past decade China s meteoric rise on the continent has raised a drumbeat of alarm China has 9 percent of the world s arable land 6 percent of its water and over 20 percent of its people Africa s savannahs and river basins host the planet s largest expanses of underutilized land and water Few topics are as controversial and emotionally charged as the belief that the Chinese government is aggressively buying up huge tracts of prime African land to grow food to ship back to China In Will Africa Feed China Deborah Brautigam one of the world s leading experts on China and Africa probes the myths and realities behind the media headlines Her careful research challenges the conventional wisdom as she shows Chinese

farming investments are in fact surprisingly limited and land acquisitions modest Defying expectations China actually exports more food to Africa than it imports Is this picture likely to change African governments are pushing hard for foreign capital and China is building a portfolio of tools to allow its agribusiness firms to go global International concerns about land grabbing are well justified Yet to feed its own growing population rural Africa must move from subsistence to commercial agriculture What role will China play Moving from the halls of power in Beijing to remote irrigated rice paddies of Africa Will Africa Feed China introduces the people and the politics that will shape the future of this engagement the state owned Chinese agribusiness firms that pioneered African farming in the 1960s and the entrepreneurial private investors who followed them Their fascinating stories and those of the African farmers and officials who are their counterparts ground Brautigam s deeply informative deftly balanced reporting Forcefully argued and empirically rich Will Africa Feed China will be a landmark work shedding new light on China s evolving global quest for food security and Africa s possibilities for structural transformation
