Damiaan De Definitieve Biografie:

Damiaan Hilde Eynikel,1999 Levensbeschrijving van de Vlaamse missionaris 1840 1889 bekend door zijn werk in de melaatsenkolonie van Molokai **The Spirit of Father Damien** Jan De Volder,2010-09-13 Foreword by John Allen Father Damien famous for his missionary work with exiled lepers on the Hawaiian island of Molokai is finally Saint Damien His sanctity took 120 years to become officially recognized but between his death in 1889 and his canonization in 2009 amid creeping secularization and suspicion of the missionary spirit he so much embodied Fr Damien De Veuster never faded from the world s memory What kept him there What keeps him there now To find an answer Belgian historian and journalist Jan De Volder sifted through Father Damien s personal correspondence as well as the Vatican archives With careful and even handed expertise De Volder follows Father Damien s transformation from the stout somewhat haughty missionary of his youth bounding from Europe to Hawaii and straight into seemingly tireless priestly work to the humble and loving shepherd of souls who eventually succumbed to the same disease that ravaged his flock De Volder finds that as spiritual father caretaker teacher and advocate Father Damien accomplished many heroic feats for these poor outcasts Yet the greatest gift he gave them was their transformation from a disordered lawless throng exiled in desperate anarchy into a living community built on Jesus Christ a community in which they learned to care for one another Every generation seems to have its own image of this world famous priest Already during his life on Molokai and at his death in 1889 many considered him a holy man Even today in the highly secularized Western world he is widely admired In 2005 his native Belgium honored him with the title the greatest Belgian in polling conducted by their public broadcasting service Statues honor his memory in the National Statuary Hall of the U S Capitol in Washington D C and at the entrance to the Hawaiian State Capitol in Honolulu In 1995 in the presence of Mother Teresa of Calcutta Pope John Paul II beatified him in Brussels Belgium and in 2009 Pope Benedict XVI canonized him in St Peter s Basilica in Rome Today Father Damien is the unofficial patron of outcasts and those afflicted with HIV AIDS De Volder contends that the common thread running through the saint s life the spirit of Father Damien that so speaks to the world is at once uniquely Christian fully human and as important today as ever before

Religious Institutes in Western Europe in the 19th and 20th Centuries Jan de Maeyer,Sofie Leplae,Joachim Schmiedl,2004 In the 19th century religious institutes orders and congregations underwent an unprecedented revival As partners in a large scale religious modernisation movement they were welcomed by the Roman Catholic Church in its pursuit of a new role in society especially in the educational and health care sectors At the same time the Church also deemed it necessary to keep their spectacular growth in check Until the 1960s religious institutes played an important role both in society at large as well as within the church for example at the level of the missions liturgy and art Yet relatively little research has been done on their development either in ecclesiastical or in broad cultural history As a basis for further study The European Forum on the History of Religious Insitutes in the 19th and 20th Centuries offers this study of the
