The Dalek is a character from the British science fiction television series Doctor Who. It is a mechanical, humanoid creature that is known for its distinctive, high-pitched, and often menacing voice. The Daleks were created by the writer and producer Terry Nation, and they first appeared in the 1963 serial The Daleks. Since then, they have become one of the most iconic and popular characters in the series. The Daleks are known for their obsession with war and their desire to conquer the universe. They are also known for their unique mode of transportation, the Dalek casing, which allows them to move and fight without the need for a physical body. The Daleks have appeared in numerous other Doctor Who stories, and they continue to be a major threat to the Doctor and his allies.
