to BIKINI Theresa DePasquale, 2016-06-21 BOSS to BIKINI is the program that's getting the world's busiest women in shape. Ever wonder how CEO's, busy moms and celebrities find the time to stay in such incredible shape? Entrepreneur, mother and international fitness expert Theresa DePasquale has helped some of the world's busiest women get the body of their dreams with her no-nonsense approach to training, nutrition and time management. She has now created this complete transformation program to help you lose your excuses and find your results. *Bikini My Body in 8 Weeks* Alex Michael Betts, 2017-03-03

This book was inspired by my desire to offer easy-to-follow and effective workout and nutrition programs to help people get back on track and start to make healthy living a lifestyle rather than a chore. Too many people start off their exercise regimens with the best of intentions but don't have a clear enough plan to follow. Therefore, no plan to stick to. This 8-week program is designed for you to be able to sculpt your body and get in great shape without having to leave the comfort of your home or spend countless hours grinding away in the gym. This is for ANYBODY from a newbie who has never exercised seriously before to a travelling executive who needs to squeeze a quick workout into an already hectic schedule. These workouts are relatively short and sweet and are designed to boost your metabolism with the high-intensity interval training (HIIT) and Excess Post-Exercise Oxygen Consumption (EPOC) philosophies. Psychologically, it is also a lot easier to start a program when the workouts are very short; you will barely notice the increase in duration as you progress. In a nutshell, you bust your ass for a short period of time and your metabolism rate will remain elevated for longer, meaning you burn more FAT. At first, some may find it hard work, so please don't push yourself to the point of passing out; listen to your body and build up your stamina gradually. If you NEED to rest after every exercise, then do it, but time your rest and try to reduce it gradually over the course of the program. The nutrition aspect is very simple and only has 2 main rules to follow as far as food is concerned. The fewer rules you have to follow, the higher your chances of success. There is also a tendency to throw too much at your body at first; you end up burning out and falling off the wagon. This program will build you up from the ground gently, which will massively increase your chances of succeeding by sticking with the program. There is a lot of confusion and misinformation when it comes to diet and exercise. I have made this program very easy to follow and applied rules that have proven to work time and time again. This is a no-gimmicks, no-nonsense plan. This eBook contains the following information to ensure your success in the program: 18 mins workout day for week 1, 8-week easy-to-follow nutrition plan, 4 complete home exercise routines, 20 video links to home exercises, 10 golden rules to secure your success.
