Dance Me Heidi Cullinan:

Dance With Me Heidi Cullinan, 2015-09-08 A football injury has stopped Ed Maurer's semi pro career in its tracks but when he finds himself teaching tango with prickly wounded former professional dancer Laurie Parker he finds himself caught up in a whole new kind of game one with his heart at the center of the stakes *Dance with Me* Heidi Cullinan, 2015-08-29 Sometimes life requires a partner Ed Maurer has bounced back more or less from the neck injury that permanently benched his semipro football career He hates his soul killing office job but he loves volunteering at a local community center The only fly in his ointment is the dance instructor Laurie Parker who can't seem to stay out of his way Laurie was once one of the most celebrated ballet dancers in the world but now he volunteers at Halcyon Center to avoid his society mother's machinations It would be a perfect escape except for the oaf of a football player cutting him glares from across the room When Laurie has a ballroom dancing emergency and Ed stands in as his partner their perceptions of each other turn upside down Dancing leads to friendship being friends leads to becoming lovers but most important of all their partnership shows them how to heal the pain of their pasts Because with every turn across the floor Ed and Laurie realize the only escape from their personal demons is to keep dancing together **Second Hand** Marie Sexton, Heidi Cullinan, 2019-01-08 A Tucker Springs Novel Paul Hannon flunked out of vet school His fiancée left him He can barely afford his rent and he hates his house About the only things he has left are a pantry full of his ex's kitchen gadgets and a lot of emotional baggage He could really use a win and that's when he meets El Pawnbroker El Rozal is a cynic His own family's dysfunction has taught him that love and relationships lead to misery Despite that belief he keeps making up excuses to see Paul again Paul who doesn't seem to realize that he's talented and kind and worthy Paul who's not over his ex fiancée and is probably straight anyway Paul who's so blind to El's growing attraction even asking him out on dates doesn't seem to tip him off El may not do relationships but something has to give If he wants to keep Paul he'll have to convince him he's worthy of love and he'll have to admit that attachment might not be so bad after all The Doctor's Secret Heidi Cullinan, 2019-04-23 Cullinan weaves themes of racism and Asian culture family pressures and the value of friends home and love into a deeply satisfying romance Publishers Weekly Starred Review Copper Point Medical Book One The brilliant but brooding new doctor encounters Copper Point's sunny nurse next door and nothing can stand in the way of this romance Dr Hong Wei Wu has come to Copper Point Wisconsin after the pressures of a high powered residency burned him out of his career before he started Ashamed of letting his family down after all they've done for him he plans to live a quiet life as a simple surgeon in this tiny northern town His plans however don't include his outgoing kind and attractive surgical nurse Simon Lane Simon wasn't ready for the new surgeon to be a handsome charmer who keeps asking him for help getting settled and who woos him with amazing Taiwanese dishes There's no question Dr Wu is flirting with him and Simon is flirting back The problem is St Ann's has a strict no dating policy between staff which means their romance is off the table unless they bend the rules But a romance that keeps them

literally in the closet can't lead to happy ever after Simon doesn't want to stay a secret and Hong Wei doesn't want to keep himself removed from life not anymore To secure their happiness they'll have to change the administration's mind But what other secrets will they uncover along the way about Copper Point and about each other **The Doctor's Date** Heidi Cullinan, 2019-06-18 Sequel to The Doctor's Secret Copper Point Medical Book Two The hospital's least eligible bachelor and its aloof administrator hate each other so why are they pretending to date Dr Owen Gagnon and HR director Erin Andreas are infamous for their hospital hallway shouting matches So imagine the town's surprise when Erin bids an obscene amount of money to win Owen in the hospital bachelor auction and Owen ups the ante by insisting Erin move in with him Copper Point may not know what's going on but neither do Erin and Owen Erin intends his gesture to let Owen know he's interested Owen on the other hand suspects ulterior motives that Erin wants a fake relationship as a refuge from his overbearing father With Erin suddenly heading a messy internal investigation Owen wants to step up and be the hero Erin's never had Too bad Erin would rather spend his energy trying to rescue Owen from the shadows of a past he doesn't talk about This relationship may be fake but the feelings aren't Still what Erin and Owen have won't last unless they put their respective demons to rest To do that they'll have to do more than work together they'll have to trust they can heal each other's hearts **Family Man** Heidi Cullinan, Marie Sexton, 2017-09-11 Sometimes family chooses you At forty Vincent Vinnie Fierro is still afraid to admit he might be gay even to himself It'll be a problem for his big fat Italian family Still after three failed marriages it's getting harder to ignore what he really wants Vinnie attempts some self exploration in Chicago's Boystown bars far from anyone who knows him Naturally he runs smack into someone from the neighborhood Between working two jobs going to school taking care of his grandmother and dealing with his mother's ongoing substance abuse Trey Giles has little time for fun let alone dating someone who swears he's straight Yet after one night of dancing cheek to cheek Trey agrees to let Vinnie court him and see if he truly belongs on this side of the fence though Trey intends to keep his virginity intact It seems like a solid plan but nothing is simple when family is involved When Vinnie's family finds out about their relationship the situation is sticky enough but when Trey's mother goes critical Vinnie and Trey must decide whose happiness is most important their families or their own **The Bookseller's Boyfriend** Heidi Cullinan, 2021-01-19 A Copper Point Main Street Novel Bookshop owner Jacob Moore can't believe his longtime celebrity crush author Rasul Youssef is moving to Copper Point For many the chance to meet the playboy novelist would be a dream come true but Jacob dreads it You should never meet your heroes You definitely shouldn't pretend to be their boyfriend Rasul came to this backwater town for an academic residency a necessary evil since he's burned through his advance without finishing the book that goes with it But he's also getting distance from a toxic relationship Quiet reserved Jacob isn't his type but their charade gives Rasul a respite from the social media circus surrounding his breakup and Jacob's charming apartment proves the perfect setting to write Of course prolonged exposure reveals that Jacob's reserved exterior hides a thoughtful intelligent man who sets Rasul's imagination and heart alight Every

day Rasul reveals himself to be more than Jacob ever dreamed he could Jacob tries to be content with friendship and the professional overlap between author and bookseller knowing a shooting star like Rasul could never make a home with Jacob in a small town like Copper Point Could he *The Professor's Green Card Marriage* Heidi Cullinan, 2020-02-18 I'll marry you Professor Valentyn Shevchenko isn't sure how to react when after months of ineffective flirting the cute barista's first words to him are a proposal In many ways Peter Grunberg is the solution to all his problems With his work visa inexplicably denied Valentyn is running out of options to keep from being deported But is a green card marriage really the answer Is it still a marriage of convenience when he's this attracted to his potential spouse Peter came to his uncle's coffee shop in Boulder Colorado to reset his life after his struggles with selective mutism returned with a vengeance He never meant his first words to the handsome ecology professor to be an offer of marriage but he's not backing out now It doesn't matter that Peter struggles to find words He can say everything he needs to with his body Though this relationship may have started out back to front Valentyn and Peter are determined to make their fake marriage real But one misstep in their immigration interview could bring everything crashing down They'll have to hope that their love is enough to overcome all their obstacles and give them the prize they've both been dreaming of a certified happy ever after *The Doctor's Orders* Heidi Cullinan, 2019-08-20 Sequel to *The Doctor's Date* Copper Point Medical Book Three Once upon a time Nicolas Beckert was the boy who stole kisses from Jared Kumpel beneath the bleachers but now Jared's a pediatrician and Nick is the hospital CEO who won't glance his way Everything changes however when they're stranded alone in a hospital elevator Ten years of cold shoulders melt away in five hours of close contact and old passions rekindle into hot flames Once out of the elevator Jared has no intention of letting Nick get away It's clear he's desperate for someone to give him space to let go of the reins and Jared is happy to oblige But Jared wants Nick as a lover in a full open relationship which is a step further than Nick is willing to go They've traded kisses under the bleachers for liaisons in the boardroom and it looks like the same arguments that drove them apart in high school might do the same thing now Jared's determined not to let that happen this time around He won't order Nick from his shell he'll listen to what his friend says he needs to feel safe Maybe this time he can prescribe his lover a happy ever after ***Dirty Laundry*** Heidi Cullinan, 2019-03-29 A Tucker Springs Novel Sometimes you have to get dirty to come clean When muscle bound Denver Rogers effortlessly dispatches the frat boys harassing grad student Adam Ellery at the Tucker Springs laundromat Adam's thank you turns into impromptu sex over the laundry table The problem comes when they exchange numbers What if Adam wants to meet again and discovers Denver is a high school dropout with a learning disability who works as a bouncer at a local gay bar Or what if Denver calls Adam only to learn while he might be brilliant in the lab outside of it he has crippling social anxiety and obsessive compulsive disorder Either way neither of them can shake the memory of their laundromat encounter Despite their fears of what the other might think they can only remember how good the other one feels The more they get together the kinkier things become They're both a little bent but in just the right

ways Maybe the secret to staying together isn't to keep things clean and proper Maybe it's best to keep their laundry just a little bit dirty
