Dancers Through the Ages Paul Hooreman, 1956

Dancing Through the Decades Yvonne Wright, 2024-11-28 Yvonne Wright attended a ballroom dancing class with her friend at the age of 11 where she became captivated with dance Learning to dance led her to become a competitor where she later qualified as a ballroom dancing teacher which allowed her self worth self confidence and social skills to grow This unique book gives readers an insight into how popular music since the 1960s has affected how we dance It also explores how dance impacts positively on our physical health and mental well being and includes quotes from social dancers running through the narrative It has information about the various styles of dance and details of organisations who can help you find an appropriate dance class near you *Dancing Through the Decades* tells the fascinating story of how an extremely introverted dyslexic working class girl with no self esteem grew into a confident adult who not only ran her own dancing school for thirty years but who also earned a Bachelor of Education a Master of Business Administration and gained a National Professional Qualification for Headship Yvonne became a confident public speaker who sat on a national advisory board for Special Educational Needs and is in the process of publishing a series of podcasts titled *Dancing Through the Decade* *Moving History/Dancing Cultures* Ann Dils, Ann Cooper Albright, 2013-06-01 This new collection of essays surveys the history of dance in an innovative and wide ranging fashion Editors Dils and Albright address the current dearth of comprehensive teaching

material in the dance history field through the creation of a multifaceted non linear yet well structured and comprehensive survey of select moments in the development of both American and World dance This book is illustrated with over 50 photographs and would make an ideal text for undergraduate classes in dance ethnography criticism or appreciation as well as dance history particularly those with a cross cultural contemporary or an American focus The reader is organized into four thematic sections which allow for varied and individualized course use Thinking about Dance History Theories and Practices World Dance Traditions America Dancing and Contemporary Dance Global Contexts The editors have structured the readings with the understanding that contemporary theory has thoroughly questioned the discursive construction of history and the resultant canonization of certain dances texts and points of view The historical readings are presented in a way that encourages thoughtful analysis and allows the opportunity for critical engagement with the text Ebook Edition Note Ebook edition note Five essays have been redacted including The Belly Dance Ancient Ritual to Cabaret Performance by Shawna Helland Epitome of Korean Folk Dance by Lee Kyong Hee Juba and American Minstrelsy by Marian Hannah Winter The Natural Body by Ann Daly and Butoh Twenty Years Ago We Were Crazy Dirty and Mad by Bonnie Sue Stein Eleven of the 41 illustrations in the book have also been redacted

Dancing Age(ing) Susanne Martin,2017-02-15 How can contemporary dance contribute to a critical discourse on age and ageing Built on the premise that age ing is something we practice and perform as individuals and as a society Susanne Martin asks for and develops strategies that allow dance artists to do age ing differently As a whole this project is an artistic research inquiry which draws on and contributes to dance practice The study develops discusses and stages practices and performances of age ing that offer alternatives to stereotypical and normative age ing narratives which are not only part of dance but also of everyday culture
