Dancing In The Dark A Cultural History Of The Great Depression:

Dancing in the Dark Morris Dickstein, 2009-09-14 A Finalist for the National Book Critics Circle Award The definitive book about Depression culture for our time San Francisco Chronicle Hailed as one of the best books of 2009 by the New York Times and the Los Angeles Times this vibrant portrait of 1930s culture masterfully explores the anxiety and hope the despair and surprising optimism of distressed Americans during the Great Depression Morris Dickstein whom Norman Mailer called one of our best and most distinguished critics of American literature has brought together a staggering range of material from epic Dust Bowl migrations to zany screwball comedies elegant dance musicals wildly popular swing bands and streamlined Deco designs Exploding the myth that Depression culture was merely escapist Dickstein concentrates on the dynamic energy of the arts and the resulting lift they gave to the nation's morale A fresh and exhilarating analysis of one of America's most remarkable artistic periods with *Dancing in the Dark* Dickstein delivers a monumental critique A New York Times Notable Book Los Angeles Times Favorite Book San Francisco Chronicle Best Book of 2009 and Huffington Post Best Book

Dancing in the Dark: A Cultural History of the Great Depression Morris Dickstein, 2010-09-06 From Agee to Astaire Steinbeck to Ellington the creative energies of the Depression against a backdrop of poverty and economic disaster In this timely and long awaited cultural history of the 1930s Morris Dickstein whom Norman Mailer called one of our best and most distinguished critics of American literature explores the anxiety and hope the despair and surprising optimism of distressed Americans at a time of dire economic dislocation Bringing together a staggering range of materials from epic Dust Bowl migrations and sharecropper photographs to zany screwball comedies wildly popular swing bands and streamlined Deco designs this eloquent work highlights the pivotal role of culture and government intervention in hard times Exploding the myth that Depression culture was merely escapist it concentrates instead on the dynamic energy and insight the arts could provide and the enormous lift they gave to the nation's morale *Dancing in the Dark* shows how our worst economic crisis as it eroded American individualism and punctured the American dream produced some of the greatest writing photography and mass entertainment ever seen in this country

The Cambridge Companion to American Literature of the 1930s William Solomon, 2018-09-20 This Companion offers a compelling survey of American literature in the 1930s These thirteen new essays by accomplished scholars in the field provide re examinations of crucial trends in the decade the rise of the proletarian novel the intersection of radical politics and experimental aesthetics the documentary turn the rise of left wing theatres popular fictional genres the impact of Marxist thought on African American historical writing the relation of modernist prose to mass entertainment Placing such issues in their political and economic contexts this Companion constitutes an excellent introduction to a vital area of critical and scholarly inquiry This collection also functions as a valuable reference guide to Depression era cultural practice furnishing readers with a chronology of important historical events in the decade and crucial publication dates as well as a wide ranging bibliography for those interested in reading

further into the field *Dust Off the Gold Medal* Sara L. Schwebel, Jocelyn Van Tuyl, 2021-08-23 The oldest and most prestigious children's literature award the Newbery Medal has since 1922 been granted annually by the American Library Association to the children's book it deems most distinguished Medal books enjoy an outsized influence on American children's literature figuring perennially on publishers lists on library and bookstore shelves and in school curricula As such they offer a compelling window into the history of US children's literature and publishing as well as into changing societal attitudes about which books are best for America's schoolchildren Yet literary scholars have disproportionately ignored the Medal winners in their research This volume provides a critically and historically grounded scholarly analysis of representative but understudied Newbery Medal books from the 1920s through the 2010s interrogating the disjunction between the books omnipresence and influence on the one hand and the critical silence surrounding them on the other *Dust Off the Gold Medal* makes a case for closing these scholarly gaps by revealing neglected texts insights into the politics of children's literature prize and by demonstrating how neglected titles illuminate critical debates currently central to the field of children's literature In particular the essays shed light on the hidden elements of diversity apparent in the neglected Newbery canon while illustrating how the books respond sometimes in quite subtle ways to contemporaneous concerns around race class gender disability nationalism and globalism *A Thirst for Empire* Erika Rappaport, 2019-03-05 Tea has been one of the most popular commodities in the world Over centuries profits from its growth and sales funded wars and fueled colonization and its cultivation brought about massive changes in land use labor systems market practices and social hierarchies the effects of which are with us even today *A Thirst for Empire* takes a vast and in depth historical look at how men and women through the tea industry in Europe Asia North America and Africa transformed global tastes and habits and in the process created our modern consumer society As Erika Rappaport shows between the seventeenth and twentieth centuries the boundaries of the tea industry and the British Empire overlapped but were never identical and she highlights the economic political and cultural forces that enabled the British Empire to dominate but never entirely control the worldwide production trade and consumption of tea Rappaport delves into how Europeans adopted appropriated and altered Chinese tea culture to build a widespread demand for tea in Britain and other global markets and a plantation based economy in South Asia and Africa Tea was among the earliest colonial industries in which merchants planters promoters and retailers used imperial resources to pay for global advertising and political lobbying The commercial model that tea inspired still exists and is vital for understanding how politics and publicity influence the international economy Jacket *The 1930s* J.B. Bennington, Zenia Sacks DaSilva, 2016-04-26 In 2010 Hofstra University celebrated its 75th anniversary inviting scholars to the campus to discuss the world as it was in the year Hofstra was founded The conference 1935 The Reality and the Promise provided a wide ranging exploration of the 1930s with presentations discussions and events highlighting the arts entertainment society politics literature and science in that momentous decade This volume encompasses a selection of the most interesting and

enlightening papers from this conference providing both depth and breadth of coverage By any measure the 1930s was a pivotal decade in modern history a time when the reality of current events and the foreshadowing of events to come tempered all promise The tension between reality and promise is a recurrent theme in the chapters brought together here as well as in the personalities and faces that came to define this decade *The Story of America* Jill Lepore, 2012-10-07 From celebrated writer Jill Lepore a literary and political history of American origin stories In *The Story of America* Harvard historian and New Yorker staff writer Jill Lepore investigates American origin stories from John Smith's account of the founding of Jamestown in 1607 to Barack Obama's 2009 inaugural address to show how American democracy is bound up with the history of print Over the centuries Americans have read and written their way into a political culture of ink and type Part civics primer part cultural history *The Story of America* excavates the origins of everything from the paper ballot and the Constitution to the I O U and the dictionary Along the way it presents fresh readings of Benjamin Franklin's *Way to Wealth* Thomas Paine's *Common Sense* The Raven by Edgar Allan Poe and Paul Revere's *Ride* by Henry Wadsworth Longfellow as well as histories of lesser known genres including biographies of presidents novels of immigrants and accounts of the Depression From past to present Lepore argues Americans have wrestled with the idea of democracy by telling stories In this thoughtful and provocative book Lepore offers at once a history of origin stories and a meditation on storytelling itself

These Vivid American Documents Joseph R. Millichap, 2024-10-18 The story behind the most iconic American photobooks of the twentieth century In the late 1930s and early 1940s the Farm Security Administration FSA funded a now famous photography project to document and highlight American rural life and its economic challenges In time the project launched a genre of works that incorporated photographic evidence and artistic documentation of rural poverty highlighting the struggles and resilience of the American people during this period Nearly a century later these photographs have become largely synonymous with the Great Depression In *These Vivid American Documents* Joseph R. Millichap presents an illuminating examination of four photobooks born of this FSA project Archibald MacLeish and Dorothea Lange's *Land of the Free* Walker Evans and Lincoln Kirstein's *American Photographs* Dorothea Lange and Paul Taylor's *An American Exodus* and James Agee and Walker Evans's *Let Us Now Praise Famous Men* Millichap includes in his analysis a curated selection of thirty-two photographs from these four photobooks showcasing the realities of the social individual political artistic and economic aspects of that time Through Millichap's thorough and insightful study readers will gain a deeper understanding of the significant cultural and historical impact of this photographic project Examining what are now historical American icons like Walker Evans's portrait of Allie Mae Burroughs and Dorothea Lange's *Migrant Mother* Millichap leans into the intersections tensions and meanings that this particular era and medium encapsulate His close comparison of the documentary and artistic purposes of the photobooks both analyzes how they balance text and imagery and offers a thoughtful study of the photographers and writers who produced them *These Vivid American Documents* is an illuminating

volume for scholars and general readers alike **Gale Researcher Guide for: Late Modernism and the Fiction of Freaksterism: Nathanael West** Sonnet Retman, Gale Researcher Guide for Late Modernism and the Fiction of Freaksterism Nathanael West is selected from Gale s academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research **Winning the War for Democracy** David Lucander, 2014-09-15 Scholars regard the March on Washington Movement MOWM as a forerunner of the postwar Civil Rights movement Led by the charismatic A Philip Randolph MOWM scored an early victory when it forced the Roosevelt administration to issue a landmark executive order that prohibited defense contractors from practicing racial discrimination Winning the War for Democracy The March on Washington Movement 1941 1946 recalls that triumph but also looks beyond Randolph and the MOWM s national leadership to focus on the organization s evolution and actions at the local level Using the personal papers of previously unheralded MOWM members such as T D McNeal internal government documents from the Roosevelt administration and other primary sources David Lucander highlights how local affiliates fighting for a double victory against fascism and racism helped the national MOWM accrue the political capital it needed to effect change Lucander details the efforts of grassroots organizers to implement MOWM s program of empowering African Americans via meetings and marches at defense plants and government buildings and in particular focuses on the contributions of women activists like Layle Lane E Pauline Myers and Anna Arnold Hedgeman Throughout he shows how local activities often diverged from policies laid out at MOWM s national office and how grassroots participants on both sides ignored the rivalry between Randolph and the leadership of the NAACP to align with one another on the ground
