Countdown To Sunday A Daily Guide For Those Who Dare To Preach:

Countdown to Sunday Chris William Erdman, 2007 A seasoned preacher offers concise and practical help to today's busy pastors

Ordinary Preacher, Extraordinary Gospel Chris Erdman, 2014-03-27 What does it mean to preach the gospel today How do we shape vibrant congregations How do we preachers not merely survive but thrive For nearly a quarter century Chris Neufeld Erdman has preached the gospel sustaining congregational life and emboldening Christian witness in the midst of this turbulence He's also taught seminarians and mentored working pastors His theology and practice of preaching is hammered out on the anvil of real life It's tested True Useful In this book a veteran pastor meditates on everything from exegesis and sermon preparation to the way preachers might preach after tsunamis hurricanes and earthquakes He reflects on what it means for example to host the text in the midst of what feels like a terminal state of war and violence both abroad and at home as well as the task of preaching in the midst of the massive anxiety produced by economic uncertainty and political gridlock Here's a book that will inspire and guide you as a wise empowered preacher an ordinary agent of the extraordinary gospel

Preaching with a Plan Scott M. Gibson, 2012-03 Provides pastors with a step by step process for creating a preaching plan that nurtures growing disciples

Serving the Word Edward Sanders, Frank Dicken, 2015-07-07 This book and the essays contained within are dedicated to Dr Chuck Sackett in recognition of his thirty two years of teaching at Lincoln Christian University He currently serves as Professor at Large but has held a variety of roles and titles during his thirty two years there These essays are written by current colleagues and former students who have had the privilege of studying hermeneutics homiletics and ministry with Dr Sackett Each essay covers a topic of scholarly or contemporary interest in the fields of hermeneutics or homiletics Hermeneutics and homiletics remain topics of discussion in the academy and the church These essays continue that discussion The essays overlap the two fields Some essays focus heavily on hermeneutical issues with an eye towards proclamation while others start with homiletics and hermeneutical issues are echoed in the background The essays found in this book offer unique perspectives and approaches to interpretation and preaching Though homiletics and hermeneutics are the fields of the study the church remains the arena where the fruit of each discipline is observed most clearly as Dr Sackett instructed his students throughout his years of teaching

A Emergent Manifesto of Hope (ēmerſion: Emergent Village resources for communities of faith) Doug Pagitt, Tony Jones, 2008-07-01 Many have heard of the emerging church but few people feel like they have a handle on what the emerging church believes and represents Is it a passing fad led by disenfranchised neo evangelicals Or is it the future of the church at large Now available in trade paper An Emergent Manifesto of Hope represents a coming together of divergent voices into a conversation that pastors students and thoughtful Christians can now learn from and engage in This unprecedented collection of writings includes articles by some of the most important voices in the emergent conversation including Brian McLaren Dan Kimball and Sally Morgenthaler It also introduces some lesser known but integral players

representing who's next within the emerging church. The articles cover a broad range of topics such as spirituality, theology, multiculturalism, postcolonialism, sex, evangelism, and many others. Anyone who wants to know what the emerging church is all about needs to start here.

Being Well When We're Ill Marva J. Dawn, 2008-01-01. Offers advice to those coping with illness or a disability, providing spiritual and practical suggestions for coping with such aspects of illness as physical pain, regrets, bitterness, and loneliness.

Introducing the Missional Church (Allelon Missional Series) Alan J. Roxburgh, M. Scott Boren, 2009-11-01. Many pastors and church leaders have heard the term missional but have only a vague idea of what it means, let alone why it might be important to them. But what does it actually mean? What does a missional church look like, and how does it function? Two leading voices in the missional movement here provide an accessible introduction, showing readers how the movement developed, why it's important, and how churches can become more missional. *Introducing the Missional Church* demonstrates that ours is a post-Christian culture, making it necessary for church leaders to think like missionaries right here at home. Focusing on a process that allows a church to discern its unique way of being missional, it guides readers on a journey that will lead them to implement a new set of missional practices in their churches. The authors demonstrate that living missionally is about discerning and joining God's work in the world in order to be a witness to God's kingdom on earth.
