From the Inside Looking Out M.J. Henry, 2023-05-03 About the Book An autobiographic account of her youth M.J. Henry's From the Inside Looking Out offers a first-hand view of life in the poor rural south She knew early in her life that her family was totally dysfunctional They were not normal and did not live like other people lived For most of her life she has lived under the misconception that if you don't talk about it it will go away or maybe it isn't true They were very poor and didn't know how poor they were until they were older and could see how other people lived Being poor and dysfunctional are two totally different things Many people were and still are poor and that is no shame It's only shameful when you don't do all you are capable of to overcome it Verbal and mental abuse have no limits As an adult M.J. was having nightmares and horrible dreams about her childhood She'd heard and experienced that if you put things on paper that it would change the whole perspective in one way or another She had been praying long before daylight for God to give her some answer for what she should do and how to deal with the future Later that morning the inspiration came to her that she should write a book about her life She felt that she owed it to herself her children and grandchildren and all of the others who whispered behind our backs and to those who were involved in

some way Once M J poured out her heart and soul on paper the dreams stopped About the Author M J Henry grew up in rural Mississippi in the mid 1940s Early in her life they had no electricity running water or inside plumbing While she wasn't all that interested in school M J did graduate from high school She's enjoyed two fulfilling jobs each lasting almost 20 years each She's worked as a sales manager for a manufacturing company which gave her the opportunity to travel to many military bases Her other role was a consolidations supervisor for a student loan company The most successful fulfilling job she's ever had however is being a mother to two amazing children who have graced her with three precious grand children and one great grandchild M J currently lives in Mississippi This is her first published book Inside the Small Church Anthony G. Pappas, 2001-11-01 Even as so called megachurches capture the attention of many church watchers small congregations continue to dominate America's religious landscape in both rural and urban settings Although sometimes obscured by their larger siblings these small churches play a prominent role and hold a unique place in both local and national cultures How can leaders help to keep these often at risk churches alive and to meet their potential for ministry Small church expert Tony Pappas has gathered a cornucopia of essays into an indispensable book for anyone interested in the rich life of these small but significant congregations Drawing on classic and updated articles by a variety of writers from his own small church newsletter The Five Stones from Alban journals Action Information and Congregations and adding new pieces developed especially for this volume Pappas provides timeless ideas on learning to value pastor develop and lead the small church In addition to time honored articles by the editor other contributors to this volume include Sherry and Douglas Alan Walrath Gary Farley Lawrence W Farris Loren Mead Caroline Westerhoff Steven Burt Carl Dudley David Ray James Lowery and a host of others known for their work and love for the small church Readers of Inside the Small Church will come away with a renewed love and appreciation for these vital congregations as well as with new skills for ministry *Why Beulah Shot Her Pistol Inside the Baptist Church* Clayton Sullivan, 2004-05-01 Raised in the Primitive Baptist Church Beulah Buchanan at age 16 marries the much older deacon Ralph Rainey to escape from her oppressive parents thus jumping from the frying pan into the fire Over the next six years Beulah works in her domineering husband's cafe all day and cooks him dinner at home every night dutifully attends church and falls into an affair with the preacher When she embarrasses her husband by not cooking enough food for the ravenous visiting revival preacher Ralph chastises Beulah with his belt When he tries to beat her again on another occasion she fights back and locks him in the cooler at his cafe where he freezes to death This sounds like and is a Southern Gothic tragedy but it is told in Beulah's voice which is innocently hilarious Beulah is an original but readers who liked Clyde Eagerton's Raney and Mark Childress's Crazy in Alabama will hear familiar echoes of those Southern women protagonists *San Diego Magazine*, 2005-06 San Diego Magazine gives readers the insider information they need to experience San Diego from the best places to dine and travel to the politics and people that shape the region This is the magazine for San Diegans with a need to know
