Dangerous Legal Drugs The Poisons In Your Medicine Chest:

A Painful Truth - The Entrapment of America's Sick Nancy Rector, 2011-05-27 At age 52 while in the privacy of her own home Nancy Rector had a twenty plus man SWAT team break her door down with a battering ram and was arrested in front of her daughter and 5 year old granddaughter and taken away to jail in handcuffs Her crime Purchasing a single order of pain medication online without a prescription She ended up a convicted felon for doing nothing more than trying to survive an incredibly painful debilitating chronic illness for which no doctor would diagnose nor treat her as she had no insurance This is her detailed story of what happened to her and how and why it can happen to anyone We live in a country where freedom individual rights and justice are held to be of extreme importance A country on the cutting edge of science medicine and technology where the common social mantra is We re Number One It is also the only industrialized nation in the world that does not provide healthcare for its sick and dying In fact predatorial capitalism has made any type of healthcare option out of reach for millions of its citizens This in combination of an overburdened legal system places its citizens in circumstances where justice decency and humanity are lacking if not absent altogether Forbidden Knowledge Terence H. Young, 2023-02-21 Terence Young exposes the pharmaceutical industry secrets and cultural myths that thwart our safe use of prescription drugs Everyone should read it before their next visit to a doctor DR NANCY OLIVIERI MD physician and professor When it comes to drug safety Big Pharma holds all the power and it s time for patients to take it back Tens of millions of patients in North America take prescription drugs but the safety of these drugs is often based on medical myths We are led to believe that if a medication isn t safe the government would never allow it on the market and that doctors would never prescribe a drug that isn t proven effective Who controls these narratives And do they always have the best interests of patients in mind In an in depth study of the enormous influence the pharmaceutical industry has over our health drug safety advocate Terence Young explores how those with the most to gain financially are also those who wield all the power in health care and withhold the knowledge that is critical to the safety of patients Forbidden Knowledge reveals the truth you need to know about prescription drugs and what to do about it It will empower you to partner with your doctor to talk openly and plainly about medications to help avoid serious adverse drug reactions This is your survival guide to Big Pharma Safe Living in a Dangerous World Nancy Harvey Steorts, 2003 The former Chairman of the U S Consumer Product Safety Commission tells American families how to protect themselves from everyday accidents and international terrorism Illustrations , Safety Review , 1965 FDA Consumer , 1973 Typical Poisonous Plants United States.
