THE REVELATION OF DANIEL CHAPTERS 11-12 Edward D. Andrews,2021-10-06 In Daniel Chapter 11 we find two kings in opposition fighting one conflict after another for power and dominion As the decades go by one will rise up while the other will fall then the other accumulates domination One king will be at the pinnacle of his rulership while the other will be subservient Then out of nowhere periods of peace Suddenly they emerge to battle once more These kings are known as the kings of the North and the South Over time they change The end is an event yet seen far removed by millenniums from the initial kings Daniel

chapter 12 delves into a question Jesus asked when the Son of Man comes will he find faith on earth Lu 18:8 The close of Daniel deals with the identity of the true worshipers in the time of the end Furthermore discover when the great tribulation starts and how many years months and days it will last Andrews also offers three additional appendices to better understand Daniel and the end times APPENDIX A What Does the Bible Really Say About the Millennium APPENDIX B Authorship of Daniel Defended APPENDIX C Identifying the Antichrist **Word Biblical Commentary V.30 Daniel** John Goldingay, 1989

Joel's Use of Scripture and the Scripture's Use of Joel John Strazicich, 2007-04-30 The methodological approach employed in this research utilizes the hermeneutics of comparative midrash combined with aspects of Bakhtinian dialogism and intertextuality The purpose of this enterprise is to discern the function of scripture in Joel and its New Testament Nachleben The terms appropriation and resignification are descriptive of the process through which an antecedent text is transformed by its displacement condensation and recontextualization These methodologies assist in giving an account of the intertextual dialogism involved in a text's unrecorded hermeneutics The scope of the work looks at the use of scriptural traditions within the book of Joel during the Second Temple period There is an introduction to the hermeneutical methods employed followed by a general introduction to the book of Joel in chapter one Chapters two and three concern the function of scripture in Joel Finally the last chapter deals with Joel's New Testament Nachleben Each chapter has an introduction and conclusion This work does not eschew the importance of diachronic issues The diachronic method pays attention to the context of an antecedent's voice while the synchronic methodological approach pays attention to the function and purpose in which the receptor text resignifies the appropriated motifs and allusions The diachronic becomes fused with the synchronic in the process of an allusion's recontextualization This study in a heuristic manner focuses on the way that each allusion is appropriated and resignified for the needs of both Joel's community and those of the later NT in order to understand the function of canonical hermeneutics **And Their Eyes Were Opened** Ray McAllister, 2021-10-15 This book is a detailed

theological analysis of blindness in the Hebrew Bible It explores blindness in the context of religion law codes theodicy social justice and healing McAllister first considers the wider context of ancient Near Eastern cultures before analyzing various words for blindness found in the Hebrew Bible The focus then shifts to examining blindness in various blocks of material in the Law the Prophets and the Writings before synthesizing the findings This book is excellent for scholars and students interested in better understanding disability in the context of the Bible and the ancient Near East *The Man of Sin* Kim Riddlebarger, 2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it's also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist *The Man of Sin* focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the

inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find *The Man of Sin* to be a unique and comprehensive study *Daniel: Many Visions, One Prophecy* Steven Ortlepp,
