L Cohen

Daring To Be Bad Radical Feminism In America 1967 1975 American Culture:

Daring to be Bad Alice Echols, 1989 A fine introduction to the bold contentious complicated women who categorically refused to be good little girls and thereby changed the way our culture defines male female relations Voice Literary Supplement

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

American Masculinities: A Historical Encyclopedia Bret Carroll, 2003-10-14 This is a highly recommended purchase for undergraduate medium sized and large public libraries wishing to provide a substantial introduction to the field of men's studies Reference User Services Quarterly Pleasing layout and good cross references make Carroll's compendium a welcome addition to collections serving readers of all ages Highly recommended CHOICE An excellent index well chosen photographs and illustrations and an extensive bibliography add further value American Masculinities is well worth what would otherwise be too hefty a price for many libraries because no other encyclopedia comes close to covering this growing field so well American Reference Books Annual American Masculinities A Historical Encyclopedia is a first of its kind reference detailing developments in the growing field of men's studies This up to date analytical review serves as a marker of how the field has evolved over the last decade especially since the 1993 publication of Anthony Rotundo's American Manhood This seminal book opened new vistas for exploration and research into American History society and culture Weaving the fabric of American history American Masculinities illustrates how American political leaders have often used the rhetoric of manliness to underscore the presumed moral righteousness and ostensibly protective purposes of their policies Seeing U S history in terms of gender archetypes readers will gain a richer and deeper understanding of America's democratic political system domestic and foreign policies and capitalist economic system as well as the private sphere of the home and domestic life The contributors to American Masculinities share the assumption that men's lives have been grounded fundamentally in gender that is in their awareness of themselves as males Their approach goes beyond scholarship which traditionally looks at men and women in terms of what they do and how they have influenced a given field or era Rather this important work delves into the psychological core of manhood which is shaped not only by biology but also by history society and culture Encapsulating

the current state of scholarly interpretation within the field of Men's Studies American Masculinities A Historical Encyclopedia is designed to help students and scholars advance their studies develop new questions for research and stimulate new ways of exploring the history of American life Key Features Reader's Guide facilitates browsing by topic and easy access to information Extensive name place and concept index gives users an additional means of locating topics of interest More than 250 entries each with suggestions for further reading Cross references direct users to related information Comprehensive bibliography includes a list of sources organized by categories in the field Topics Covered Arts Literature and Popular Culture Body Health and Sexuality Class Ethnic Racial and Religious Identities Concepts and Theories Family and Fatherhood General History Icons and Symbols Leisure and Work Movements and Organizations People Political and Social Issues About the Editor Bret E Carroll is Associate Professor of History at California State University Stanislaus He received his Ph D from Cornell University in 1991 He is author of The Routledge Historical Atlas of Religion in America 1997 Spiritualism in Antebellum America 1997 and several articles on nineteenth century masculinity

American Fatherhood Jürgen Martschukat, 2019-12-31 Explores the surprising diversity of fathers and fatherhood throughout American history and society The nuclear family has been endlessly praised as the bedrock of American society even though there has rarely been a time in history when a majority of Americans lived in such families This book deconstructs the myth of the nuclear family by presenting the rich diversity of family lives in American history from the American Revolution to the twenty first century To tell this story Jürgen Martschukat focuses on fathers and their relations to families and American society Using biographical close ups of twelve different characters each embedded in historical context American Fatherhood provides a much more realistic picture of how fatherhood has been performed within different kinds of families Each protagonist covers a crucial period or event in American history presents a different family constellation and makes a different argument with regard to how American society is governed through the family

[Spying on Students](#) Gregg L. Michel, 2024-09-04 Gregg L Michel's Spying on Students focuses on the law enforcement campaign against New Left and progressive student activists in the South during the 1960s Often overlooked by scholars white southern students worked alongside their Black peers in the civil rights struggle drove opposition to the Vietnam War and embraced the counterculture's rejection of conventions and norms While African Americans bore the brunt of police surveillance and harassment federal agencies such as the FBI and local police intelligence units known as Red Squads subjected white student activists to wide ranging intrusive and illegal monitoring By examining the experiences of white students in the South Michel provides fresh insights into the destructive weaponized spying tactics deployed by state actors in their attempts to quash dissent in the region Drawing on previously secret FBI files and records of other investigative agencies Michel demonstrates that authorities at all levels of government turned the full power of their offices against white activists listening to their conversations infiltrating their meetings and sowing discord within their families and schools Efforts to surveil and repress social activism reflected officials' fear of

growing unrest on the part of white students who questioned the southern racial status quo and recoiled as the horrors of Vietnam laid bare the shibboleth of American exceptionalism As white students revolted on campuses elsewhere most notably at Berkeley and Columbia law enforcement sought to curtail such disruptions in the South In their view white students threatened domestic tranquility and therefore warranted close monitoring Spying on Students presents a unique perspective on state actors war on dissent exposing their suspicion of opposing political beliefs and revealing their paranoia as they sought to preserve the existing racial order The work complicates further the dominant narrative of the era that casts white southern students as opponents of social change The counterintelligence operations employed against them show not only that white students valued political engagement and social activism but also that authorities considered them a menace to the country as a whole

The Pathological Family Deborah Weinstein, 2013-02-15 While iconic popular images celebrated family life during the 1950s and 1960s American families were simultaneously regarded as potentially menacing sources of social disruption The history of family therapy makes the complicated power of the family at midcentury vividly apparent Clinicians developed a new approach to psychotherapy that claimed to locate the cause and treatment of mental illness in observable patterns of family interaction and communication rather than in individual psyches Drawing on cybernetics systems theory and the social and behavioral sciences they ambitiously aimed to cure schizophrenia and stop juvenile delinquency With particular sensitivity to the importance of scientific observation and visual technologies such as one way mirrors and training films in shaping the young field The Pathological Family examines how family therapy developed against the intellectual and cultural landscape of postwar America As Deborah Weinstein shows the midcentury expansion of America's therapeutic culture and the postwar fixation on family life profoundly affected one another Family therapists and other postwar commentators alike framed the promotion of democracy in the language of personality formation and psychological health forged in the crucible of the family As therapists in this era shifted their clinical gaze to whole families they nevertheless grappled in particular with the role played by mothers in the onset of their children's aberrant behavior Although attitudes toward family therapy have shifted during intervening generations the relations between family and therapeutic culture remain salient today

Pinks, Pansies, and Punks James Penner, 2011 The author charts the construction of masculinity within American literary culture from the 1930s to the 1970s He examines the macho criticism that originated in the 1930s within the high modernist New York intellectual circle and tracks the issues of class struggle anti communism and the clash between the Old and New Left in the 1960s By extending literary culture to include not just novels plays and poetry but diaries journals manifestos essays literary criticism journalism non fiction essays on psychology and sociology and screenplays he foregrounds the multiplicity of gender attitudes available in each of the historical moments he addresses

The Language of the Heart Trysh Travis, 2010-01-01 In The Language of the Heart Trysh Travis explores the rich cultural history of Alcoholics Anonymous AA and its offshoots and the larger recovery movement that has grown out of

them Moving from AA s beginnings in the mid 1930s as a men s fellowship that met in church basements to the thoroughly commercialized addiction treatment centers of today Travis chronicles the development of recovery and examines its relationship to the broad American tradition of self help highlighting the roles that gender mysticism and bibliotherapy have played in that development *The Columbia Dictionary of Modern Literary and Cultural Criticism* Joseph W. Childers, Gary Hentzi, 1995 More than 450 definitions aimed at helping those not formally trained in theory or criticism Sisters in the Struggle Bettye Collier-Thomas, V.P. Franklin, 2001-08 Tells the stories and documents the contributions of African American women involved in the struggle for racial and gender equality through the civil rights and black power movements in the United States

Daring To Be Bad Radical Feminism In America 1967 1975 American Culture Introduction

In today's digital age, the availability of Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Daring To Be Bad Radical Feminism In America 1967 1975 American Culture versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for

a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Daring To Be Bad Radical Feminism In America 1967 1975 American Culture books and manuals for download and embark on your journey of knowledge?

FAQs About Daring To Be Bad Radical Feminism In America 1967 1975 American Culture Books
