Cole And The Clairvoyant The Martin Cole Novels:

Cole and the Clairvoyant Alan Tootill,2013-03-18 Martin is called in by a local businessman to look into a series of thefts from his warehouse But the investigation is interrupted by the killing of one of the suspects Are the thefts and the murder related Are the police right in thinking there is a drug connection Or should Martin follow clairvoyant Delia s advice to look for a mysterious triangle

Cole and the Clairvoyant Alan Tootill,2016-12-17 In the fifth book of the series Martin is called in by a local businessman to look into a series of thefts from his warehouse But the investigation is interrupted by the killing of one of the suspects Are the thefts and the murder related Are the police right in thinking there is a drug connection Or should Martin follow clairvoyant Delia s advice to look for a mysterious triangle Once again Martin s search for the truth poses many questions for him Should he become careers advisor to the drugs industry How much should he pay for his visit to Roselake s brothel Should he paint the vicar s ceiling The truth about the murder might be hard to discover and unpleasant but at least Martin makes some new friends along the way

Frackworld Alan Tootill,2016-12-17 When he walked into my office it took me a while to recognise Charles Foster Then I twigged He was a fracking ambulance chaser I thought the no win no fee lawyer was handing me an easy job for good money All I had to do was carry out basic background checks on a few prospective clients I found he d left out a few things He didn t tell me Paul Spencer was dead He didn t tell me I was Paul s stand in He didn t tell me about Jessica s long legs He didn t tell me he was going to disappear To be fair he didn t know that himself Noir meets pulp meets fracking greed and corruption in the fourth in Alan Tootill s series of Blackpool Novels featuring PI Mike Grady

Fracking The Fylde Alan Tootill,2016-12-17 The frackers promised jobs Promised to turn Blackpool into a new super rich gold rush town They brought jobs all right They brought in foreign workers who sent their money back to their loving wives and families in France and Eastern Europe while they shot up heroin and snorted cocaine at the end of the day s work For the rest of Blackpool before the problems started it was business as usual But then people started getting wise The stories started emerging how the fracking companies purpose built venture frackploitation capital firms were wrecking the land and air The profit from raping the countryside was going abroad to their US Australian and Cayman Island and other offshore backers The only money that stayed in the country went into corrupt politicians pockets Of course back in the early 2010s no one knew this was coming But the signs were there The environmentalists raged on about earthquakes water pollution and health problems Most folk didn t listen The antis were a ragbag lot and as often as not were squabbling between themselves When one of them died in front of a fracking fluid lorry she was blamed for her own stupidity Now the Fylde is ruined forever and everyone s wise after the event

Thomas Cole's Journey Elizabeth Mankin Kornhauser,Tim Barringer ,2018-01-29 Thomas Cole 1801 1848 is celebrated as the greatest American landscape artist of his generation Though previous scholarship has emphasized the American aspects of his formation and identity never before has the British born artist been presented as an international figure in direct dialogue

with the major landscape painters of the age Thomas Cole's Journey emphasizes the artist's travels in England and Italy from 1829 to 1832 and his crucial interactions with such painters as Turner and Constable For the first time it explores the artist's most renowned paintings The Oxbow 1836 and The Course of Empire cycle 1834-36 as the culmination of his European experiences and of his abiding passion for the American wilderness The four essays in this lavishly illustrated catalogue examine how Cole's first hand knowledge of the British industrial revolution and his study of the Roman Empire positioned him to create works that offer a distinctive even dissident response to the economic and political rise of the United States the ecological and economic changes then underway and the dangers that faced the young nation A detailed chronology of Cole's life focusing on his European tour retraces the artist's travels as documented in his journals letters and sketchbooks providing new insight into his encounters and observations With discussions of over seventy works by Cole as well as by the artists he admired and influenced this book allows us to view his work in relation to his European antecedents and competitors demonstrating his major contribution to the history of Western art Circle City Psychic Stephanie A. Cain, 2018-06-12 Martin Cole has been home from Afghanistan for three years and his business a one man garage is going well The problem is his PTSD hasn't gone away He's tried all the usual treatments and some of the well less legal treatments despite the fact his sister's a cop But he's still having nightmares Dreams Visions His world turns upside down when he meets a handsome homicide detective with Indianapolis Metropolitan Police who says the visions aren't PTSD they're premonitions Elliott Blake is certain he's right about Martin's visions he's not just a detective he's also a werewolf with preternatural senses and PTSD symptoms have a different scent than premonitions And his case has way too many things in common with Martin's visions to be a coincidence The problem is whoever killed Ainsley Shaw has killed again and Elliott's no closer to catching the killer If he could just get Martin to trust him they could work the case together and maybe figure out what to do with the attraction between them Unfortunately the killer has other plans Cole's Register of British Antiquarian & Secondhand Bookdealers, 1989 Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1972 Epic in American Culture Christopher N. Phillips, 2012-05 This book investigates the concept of what it means to be epic and its form in American life literature and art from the country's early days **Dead Elvis** Greil Marcus, 1999 Listening in on public conversation that recreates Elvis after death Marcus tracks Presley's resurrection He grafts together snatches of film music books newspapers photos posters and cartoons and amazes us with what America has been saying as it raises its late king and also what this obsession with dead Elvis says about America itself
