The Managing Care Reader Jill Reynolds, 2003 This Reader includes material relevant to everyone involved in developing new relationships in health and social care Alongside articles on social care as traditionally conceived it offers articles from a wide variety of settings including those in health and education It brings together classic management texts and material with a management focus providing a stimulating range of perspectives on the manager's role In the management of something as complex as care this must involve listening to service users maintaining professional values enabling participation facilitating learning The Managing Care Reader reflects these imperatives as it focuses in on the experience of being in the front line In four parts it looks at how managers experience what they do their managerial responsibilities the key professional issues and the importance of the organisational environment It offers a rich resource for all those undertaking management courses or moving into frontline management roles in the new world of social care

Interprofessional Collaboration in Social Work Practice Karin Crawford, 2011-10-03 How can social workers be more

effective in collaborative work What are the skills knowledge and values required for collaborative practice How does collaborative social work practice impact on the experience of service users and carers These questions are faced by social workers every day and interprofessional collaborative practice is high on the policy agenda for trainees and practitioners Written primarily for social work students and practitioners although having relevance across the wider range of stakeholders this book explores the issues benefits and challenges that interprofessional collaborative practice can raise Chapter by chapter the book will encourage the reader to critically examine the political legal social and economic context of interprofessional practice It also explores how social workers can work effectively and collaboratively with other professions while retaining their own values and identity Key features include activities to illustrate the ways in which collaborative working can impact upon the experiences of service users carers and practitioners discussions looking at the different people and organisations with whom social workers might work in practice examples of research and knowledge for practice a glossary to act as a useful quick reference point for the reader a companion website Engaging and well written each chapter also includes case studies reflective questions and links to further reading and sources of information Interprofessional Collaboration in Social Work Practice will be essential reading for social work qualifying students and for practitioners

Interprofessional Collaboration Audrey Leathard, 2004-03 In Interprofessional Collaboration the benefits of collaboration for patients and carers are confirmed through theoretical models illustrated with case studies of existing examples *Applying Theory to Policy and Practice* Steven R. Smith, 2016-04-15 The analysis of social and public policy and professional practice has become increasingly theoretical in recent years This volume draws together experienced practitioners and academics in social work probation and counselling as well as from other forms of legal and social practice to better understand the relationship between theory policy and practice The contributors argue that the use of theory in studying policy and practice is overall a positive and necessary development However they also highlight and explore a number of methodological problems and philosophical issues for critical reflection The often inaccessible nature of abstract theoretical argument Perceived problems of relevance and applicability to practice given the structure and purpose of theoretical modelling Philosophical difficulties and questions when applying theoretical generalization to policy and practice The authors address these problems in a style fully accessible to non theorists offering a unique multi disciplinary resource for students academics policy analysts and practitioners **Social and Community Psychiatry** Stelios Stylianidis, 2016-05-14 This book presents the basic theoretical and historical concepts and it describes current perspectives and data focusing on good practices in community psychiatry in Greece and in other parts of Europe Concepts such as the biopsychosocial model psychiatric reform psychosocial rehabilitation and the recovery model as well as new case management models are approached from a critical anthropocentric perspective The current socioeconomic crisis in Europe brings with it new realities in mental health systems New forms of social suffering are forcing the psychiatric community to re examine what is

considered normal In order to respond to the complexity of the newly emerging needs social and community psychiatry has been compelled to broaden the objectives of intervention and research alike developing new and dynamic relations with complementary scientific fields such as social anthropology psychoanalysis and microeconomics The present work is the result of collaboration between professionals from across these different fields *Clinical Audit in Mental Health* John

Riordan,Darren Mockler,1997-07-07 This book fully describes the purpose methods and implementation of clinical audit programs in mental health care in order to meet the demands of purchasers providers clinicians carers and patients It provides a practical guide to implementation in hospital and community settings Applies well established models for clinical audit to mental health care Reflects current trends in quality assurance in health care Provides detailed specific advice on assessing the effectiveness of mental health treatment programs **The Challenge of Promoting Health** Moyra

Sidell,Jenny Douglas,2002-03-20 Thoroughly revised and updated to reflect changes in health promotion practice policy and research The Challenge of Promoting Health explores the potential at the local level for communities to be involved in promoting their own health and examines the role of statutory agencies and other organisations in the making of healthy public policy Written in an engaging and accessible style this book will be of continued interest to all those committed to promoting health especially those working in the health and social care fields **Leadership in Interprofessional Health**

Education and Practice Charlotte Brasic Royeen,Gail M. Jensen,Robin Ann Harvan,2008-10-30 The changing landscape of health care continues to grow more diverse As young health professionals move into clinical practice and face challenging health demands and increasing health care costs they must be prepared to work in interprofessional teams despite a lack of experience in team based skills Interprofessional Healthcare Education and Practice for Rural and Underserved Populations represents a collective response to this problem from educators clinicians and community health leaders to create a resource for interprofessional education and practice Divided into five sections this book includes the necessary information to encourage dialogue debate and action in interprofessional education needed to meet the health care needs for the present and the future
