Colored American Working Man Time:

America's Working Man David Halle, 2014-12-10 An unusually deep and wide ranging study by a sociologist who spent years listening to and living among workers at a New Jersey chemical plant Journal of American Studies Over a period of six years during the late 1970s at factory and warehouse at the tavern across the road in their homes and union meetings on fishing trips and social outings David Halle talked and listened to workers of an automated chemical plant in New Jersey's industrial heartland white male and mostly Catholic He has emerged with an unusually comprehensive and convincingly realistic picture of blue collar life in America during this era Throughout the book Halle illustrates his analysis with excerpts of workers' views on everything from strikes class consciousness politics job security and toxic chemicals to marriage betting on horses God home ownership drinking adultery the Super Bowl and life after death Halle challenges the stereotypes of the blue collar mentality and provides a detailed in depth portrait of one community of workers at a time when it was relatively affluent and secure Absorbing reading Business Week

Du Bois, 2014-02-01 Black Reconstruction in America interprets the twenty years of Reconstruction from the point of view of newly liberated African Americans Though lambasted by critics at the time of its publication in 1935 Black Reconstruction has only grown in historical and literary importance In the 1960s it joined the canon of the most influential revisionist historical works Its greatest achievement is weaving a credible lyrical historical narrative of the hostile and politically fraught years of 1860-1880 with a powerful critical analysis of the harmful effects of democracy including Jim Crow laws and other injustices **"Colón Man a Come"** Rhonda D. Frederick, 2005-01-01 To date there has been no literary examination of the Col n Man even though he recurs in 19th and 20th century Anglophone and Francophone Caribbean Literatures Named for PanamO's Caribbean port city the Col n Man has been the subject of historical sociological and geographical scholarship He however has escaped the domain of literary investigation until now Author Rhonda Frederick brings us the first ever book length study of the literary representations of the Col n Man Fictive accounts of PanamO migration draw on precisely what has been little documented or not at all In other words this region's literature and songs as well as Col n Men's recollections complicate existing studies These first person accounts and creative narratives in the form of song stories literature etc of isthmian migration suggest that fictive renditions of canal work and workers represent Col n Men's undocumented unknown and/or ignored realities Col n Man a Come Mythographies of PanamO Canal Migration examines

several works of fiction George Lamming's *In the Castle of My Skin* Michael Thelwell's *The Harder They Come* Eric Walrond's *Tropic Death* Claude McKay's *Banana Bottom* and Maryse Conde's *Tree of Life* And perhaps most significantly this book relies on the personal narratives and songs of *Colon Men* to support the forgotten lost ignored and yet imaginable truths of PanamO Canal migration
