Comcast Korean Channels:

FCC Record United States. Federal Communications Commission, 2011 *Transnational Korean Television* Hyejung Ju, 2019-11-29 Transnational Korean Television Cultural Storytelling and Digital Audience provides previously absent analyses of Korean TV dramas transnational influences peculiar production features distribution and consumption to enrich the contextual understanding of Korean TV's transcultural mobility Even as academic discussions about the Korean Wave have heated up Korean television studies from transnational viewpoints often lack in depth analysis and overlook the recently extended flow of Korean television beyond Asia This book illustrates the ecology of Korean television along with the Korean Wave for the past two decades in order to showcase Korean TV dramas international mobility and its constant expansion with the different Western television and their audiences Korean TV dramas mobility in crossing borders has been seen in both transnational and transcultural flows and the book opens up the potential to observe the constant flow of Korean television content in new places peoples manners and platforms around the world Scholars of media studies communication cultural studies and Asian studies will find this book especially useful **Transnational Communities in the Smartphone Age** Dae Young Kim, 2017-12-20 Transnational Communities in the Smartphone Age The Korean Community in the Nation's Capital examines the durable ties immigrants maintain with the home country and focuses in particular on their transnational cultural activities In light of changing technologies especially information and communication technologies ICTs which enable a faster easier and greater social and cultural engagement with the home country this book argues that middle class immigrants such as Korean immigrants in the Washington Baltimore region sustain more regular connections with the homeland through cultural rather than economic or political transnational activities Though not as conspicuous and contentious as other forms of transnational participation cultural transnational activities may prove to be more lasting and also serve as a backbone for maintaining longer lasting connections and identities with the home country **Television's Streaming Wars** Arianne Ferchaud, Jennifer M. Proffitt, 2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics **Fortune** Henry Robinson Luce, 2007 **Television at Large in South Asia** Aswin Punathambekar, Shanti Kumar, 2015-09-25 This book explores the empirical and theoretical significance of understanding television as a dynamic

technology a creative industry and a vibrant cultural form that is at large in South Asia Bringing together prominent scholars who have shaped television studies in South Asia as well as emerging scholars who address new topics this book decisively positions television as a key site in the study of South Asian History and Culture In doing so it also positions the study of television in South Asia and the South Asian diaspora as crucial in the rethinking of global television history and opens up new directions for the future of television studies This volume will be essential reading for scholars and teachers of media and communication studies media history anthropology and sociology besides being of great interest to policymakers and media professionals This book was originally published as a special issue of South Asian History and Culture

Diasporic Media beyond the Diaspora Sherry S. Yu, 2018-04-23 Media for diasporic communities have emerged in major cities such as Vancouver and Los Angeles and reflect a multicultural multiethnic and multilingual reality But do these media serve their respective communities exclusively or are they available and accessible to members of greater society at large Diasporic Media beyond the Diaspora explores structural and institutional challenges and opportunities for these media and suggests policy directions with the aim of fostering broader intercultural dialogue Using case studies of Korean media in Vancouver and Los Angeles Sherry Yu examines the potential of an intercultural media system for culturally ethnically and linguistically diverse societies This is the first book to explore the potential of diasporic communicative spaces as being open to people outside of specific diasporic communities and their further potential to establish an infrastructure that facilitates conversation and contributes to building an interculturally engaging and inclusive media system

Television & Cable Factbook, 2009 *The Korean Wave* Youna Kim, 2013-11-12 Since the late 1990s South Korea has emerged as a new center for the production of transnational popular culture the first instance of a major global circulation of Korean popular culture in history Why popular or not Why now What does it mean socially culturally and politically in a global context This edited collection considers the Korean Wave in a global digital age and addresses the social cultural and political implications in their complexity and paradox within the contexts of global inequalities and uneven power structures The emerging consequences at multiple levels both macro structures and micro processes that influence media production distribution representation and consumption deserve to be analyzed and explored fully in an increasingly global media environment This book argues for the Korean Wave s double capacity in the creation of new and complex spaces of identity that are both enabling and disabling cultural diversity in a digital cosmopolitan world The Korean Wave combines theoretical perspectives with grounded case studies in an up to date and accessible volume ideal for both undergraduate and postgraduate students of Media and Communications Cultural Studies Korean Studies and Asian Studies

The SAGE International Encyclopedia of Mass Media and Society Debra L. Merskin, 2019-11-12 The SAGE International Encyclopedia of Mass Media and Society discusses media around the world in their varied forms newspapers magazines radio television film books music websites social media mobile media and describes the role of each in both mirroring and shaping society This

encyclopedia provides a thorough overview of media within social and cultural contexts exploring the development of the mediated communication industry mediated communication regulations and societal interactions and effects This reference work will look at issues such as free expression and government regulation of media how people choose what media to watch listen to and read and how the influence of those who control media organizations may be changing as new media empower previously unheard voices The role of media in society will be explored from international multidisciplinary perspectives via approximately 700 articles drawing on research from communication and media studies sociology anthropology social psychology politics and business
