**Dare to Chart and Track Your Soul's 2ND Journey** Tommaso Grieco,2015-12-21 The 3 charts in this book guide us in helping determine by our free will our Choices which gives us the Consequences and Conditions for our summit climb to Spiritual Knowledge and ultimate 3rd Journey for our Soul      **Dare Your Soul's Free Will** Tommaso Grieco,2020-01-09

This book dares you the reader to understand how from conception you entered this world how to live it and the three destinations that are possible when you leave it      **Treasure: A Soul Journey With The Invisible** Karen

Williams,2018-12-31 TREASURE is the true story of how the iconic fable The Alchemist by Paulo Coelho psychically predicted the future and what would happen to Karen Williams in real life This was at a time when Karen had never heard of Coelho s famous book It is a story about the passion for a dream and how this passion revealed to Karen the language of signs and coincidences which the spiritual realm uses to speak to each of us Living in Andalusia in southern Spain in the 1990s Karen dreams of finding and living from her soul One night after visiting her favourite ruin she has a dream in which she is reborn and with this her soul quest begins Just as in Coelho s The Alchemist it takes her to Tarifa and Tangiers and then through a metaphorical desert finally ending at a place of pyramids as she searches for her treasure But this is only just the beginning of a truly supernatural odyssey which goes on for another 18 years In that time Karen dedicates her whole being to the slow and sometimes incredibly painful unraveling of the real meaning of the allegory known to millions as The Alchemist What she discovers is far deeper and more transcendental than she ever imagined and touches the lives of all of us who now stand at the beginning of a new millennium hoping for a new world and a new dawn      Music of the Soul Joy S. Berger,2012-10-12

Music of the Soul guides the reader through principles techniques and exercises for incorporating music into grief counseling with the end goal of further empowering the grieving person Music has a unique ability to elicit a whole range of powerful emotional responses in people even so far as altering or enhancing one s mood as well as physical reactions This interdisciplinary text draws in equal parts from contemporary grief loss theory music therapy research historical examples of powerful music case studies and both self reflecting and teaching exercises Music is as much about beginnings as endings and thus the book moves through life s losses into its new beginnings using musical expression to help the bereaved find meaning in loss and hurt and move forward with their lives With numerous exercises and examples for implementing the use of music in grief counseling the book offers a practical and flexible approach to a broad spectrum of mental health
