Darling Judi John Miller, 2006 To mark the seventieth birthday of one of Britain's best loved actors Judi Dench her biographer John Miller has invited fellow actors writers and others to illustrate her genius and her character from their own experience and perspective The cast list includes David Hare Ned Sherrin Trevor Nunn Bill Nighy Ian Richardson Barbara Leigh Hunt and many more Each contribution reveals a different aspect of her nature including her liking for practical jokes some of which have passed into theatrical legend Taken together they build a rounded portrait of a star at the height of her powers

The Power and Grace Between Nasty Or Nice John Friel, Ph.D., 2012-05 In this illuminating book the Friels explain that power without graciousness results in bullying and nastiness Graciousness without power results in being a doormat However power tempered with graciousness elevates us beyond our purely animalistic selves it produces competence gratitude humility and effectiveness attributes that are sorely lacking in today's world where entitlement narcissism and incivility reign supreme By learning how to find and balance this power zone between victim and perpetrator anyone can stop dysfunctional patterns of behavior and ignite positive change In fact the Friels show how even one very small change held firmly for six to twelve months can cause more system wide change than anything else you can do Over the past twenty seven years their Clearlife Clinic Program has helped more than 6 000 people identify and change ingrained patterns of behavior beliefs and feelings Publisher description
