

CITY COLLEGE OF SAN FRANCISCO FREQUENTLY ASKED QUESTIONS ABOUT PLACEMENT TESTING

Welcome to City College of San Francisco! Now that you have submitted your application, you are ready for the next few steps—placement testing, orientation and counseling.

WHAT IS THE PURPOSE OF THESE PLACEMENT TESTS?

These tests are one way of measuring your skills in Math and English (or ESL). You and your counselor will use these results (together with other information about you) to decide on a program of courses that best suits your needs and interests. Your test results are used for placement purposes only and cannot prevent you from attending CCSF.

MULTIPLE MEASURES COURSE PLACEMENT PROCESS

Placement Testing is only one factor that determines your Math and English course placement level at City College. Other factors (such as relevant college and high school coursework you have taken and your GPA in your Math or English courses) are considered together with your placement test results.

All these factors, or "multiple measures," are evaluated by your counselor, whom you will see as part of the Matriculation process. Therefore, it is very important that you meet with a counselor to complete the Math and English placement process.

CAN I BE EXCUSED FROM ANY OR ALL OF THE PLACEMENT TESTS?

You can be excused from taking any or all of the placement tests if:

1. You are waiving the English and/or Math placement test on the basis of completing specific college courses or standardized tests. ***See Placement Test Waiver Form.**
2. You are exempting from the assessment component on the basis of an AA degree or higher, or enrolling in no more than 9 units of courses with no prerequisites. ***See the Matriculation Exemption Form.**

Forms are available online or at the Office of Matriculation in Conlan Hall, Room 204. For more information, please call 239-3751.

WHICH TESTS DO I TAKE?

All students must take either the ENGLISH or ESL test:

-**ENGLISH** --(1-1/2 hours) For native English speakers (or those whose primary language is English) **or**

-**ESL** (English as a Second Language)--(1-1/2 hours) For those whose primary language is not English

-**MATHEMATICS**

City College administers three levels of mathematics placement testing:.

- = **ARITHMETIC** (45 min) – For students who need to strengthen their basic arithmetic skills or who may be ready to study Elementary Algebra.
- = **ELEMENTARY ALGEBRA** – (45 min) – For students who have studied beginning algebra and may be ready to study Intermediate or Advanced Algebra.
- = **COLLEGE LEVEL MATH** (45 min) – For students who wish to enroll in Trigonometry, Calculus, or higher.

Students may take one or more of the tests; however, all students must begin with either the Arithmetic Test or Elementary Algebra Test. To help you decide which test to begin with, **please review the sample questions included in this packet before you arrive at the testing session**. The following questions should also help you to decide which test to begin with:

SHOULD I BEGIN WITH THE ARITHMETIC OR ELEMENTARY ALGEBRA TEST?

- | | | |
|---|-----|----|
| 1. Do you need a review of basic arithmetic (including operations with fractions and decimals)? | Yes | No |
| 2. Do you need a review of basic algebra? | Yes | No |

*If you answered **YES** to Question 1 or 2, begin with the **Arithmetic Test**.*

*If you answered **NO** to both Questions 1 and 2, begin with the **Elementary Algebra Test**.*

SHOULD I TAKE THE ENGLISH OR ESL (ENGLISH AS A SECOND LANGUAGE) TEST?

- | | | |
|--|-----|----|
| 1. Is English the first language you learned as a child? | Yes | No |
| 2. Did you complete most of your education in the English language? | Yes | No |
| 3. Do you usually speak English with your friends and/or co-workers? | Yes | No |

If you answered NO to more than one of these questions, you should take CCSF ESL Placement Test. Even if you have been in this country for several years, you will benefit from CCSF ESL courses, which are offered at many levels. If your results on the ESL Placement Test indicate that you would benefit from general English courses, you will be advised to take the English Placement Test.
