Celestial Pets Evils Embrace:

Celestial Pets Bianca Sommerland, 2015-12-17 Created pure and innocent the newborn angel Fae s only crime is loving the mortal realm too much She wants to see to touch to taste and to know All of which leads to her fall from grace when she meets the demon brothers who give her all she desires Cravis and Travis toy with the young angel out of boredom but losing her awakens something inside them that they didn t know they could still feel While Travis begins to learn how precious a life can be Cravis struggles with the fear of how fragile love is not sure if he can go through it being taken from him once again The demons will claim the angel but many dangers threaten the Fallen Hunted by the Virtues and lusted after by the damned Fae may be protected as a cherished pet But she will soon learn she s worth so much more *Deadly Captive: The Trilogy* Bianca Sommerland, Survival is Deadly From entertaining a bloodthirsty crowd to a brief taste of freedom Lydia struggles to escape the only life she remembers A life of being little more than a plaything to Cyrus His obsession his manipulations never let her stray too far But in making her strong enough to endure his games he s created the one thing that will bring them all to an end Read the trilogy too dark to be called romance a love story rife with sacrifice heartache and bonds beyond the basic need to survive There will be no trigger warnings The book is the warning *Violent Angel* Bianca Sommerland, 2024-10-31 Survival can change a boy to a man Or a man to a killer But it takes more for him to become truly lethal The ability to deliver a blow so fatal even the most powerful target draws their very last breath And it s a very fine line between those particular sets of skills being used for good Or for evil Elliot Orlovski can t say on which side of that line he belongs As one of Eros Eight mercenaries trained to use lust as a deadly lure his goals have always been simple Protect the brother he claimed and put the most corrupt bastards in the ground He loves his job but he has no illusions about how twisted he is when his only pleasure comes from spilling blood Until he meets Damon Burrows a bodyguard who took the wrong client at the wrong time Stabbing him with a pencil should ve been the end of it but Damon isn t like the lowlife he works for His sacrifice to save Elliot s brother leaves him clinging to life Keeping him alive puts Elliot into serious debt a debt he can only repay by taking the most dangerous jobs whether or not he s ready for the challenge His handlers and his friends all tell him the cost is too high but he doesn t give a damn Because after Damon steals his way into Elliot s heart There s no way in hell he ll ever let him go NOTE This is a DARK MM ROMANCE so please if you re sensitive to certain subject matter check out the trigger warnings There is content in this book that may be extremely disturbing to some readers *Gilded (New Rules Trilogy Book Two)* Bianca Sommerland, 2019-02-19 Everything has a price Self made millionaire Xavier Ashburne has never stopped fighting for control Money and power gave him some but there s still so much uncertainty neither can overcome When his longtime lover and partner Luther Cross leaves on a trip to reconnect with his brother Xavier is left to manage their business and household alone He d never realized how much he relied on his man especially when it comes to their shared submissive Alexander Tremaine As a reformed thief Alexander came into Xavier s life in the most unconventional fashion but before too

long stole his way into Xavier's heart And now that he's there Xavier needs the control he's won to keep him safe and happy But when Xavier's past comes back to haunt them all the riches in the world won't be enough Money is worthless Power merely existence painted in gold **Polished (New Rules Trilogy Book One)** Bianca Sommerland, 2018-09-27 Prison or a life of luxury Let me think Desperate and starving I agreed to my brother's crazy grand theft auto scheme which goes horribly wrong When they abandon me I'm forced to face the most powerful man in the city And given the opportunity to climb out of the gutter Right into the bed of Xavier Ashburne There's only one catch I've gotta train under his head of security Luther Cross the only person who knows how to handle the temperamental millionaire Success could decide my entire future Giving in to temptation could destroy it My value is in what I must become Sensual Submissive And Polished **Line Brawl** Bianca Sommerland, 2016-06-28 Not all fights are one on one In a team no man should stand alone You can't keep me Shawn Easy Pischlar has given his speech so often it should be written on the white board in the Dartmouth Cobra's locker room Too many of his own teammates have heard the words And the games he's played are finally catching up to him To hang on to his freedom Shawn gave up on ever having someone to call his own A young woman who expects nothing from him slips into his life and has him ready to toss the rulebook While the man he loves tempts him to burn it Keeping them both would be easy only caring about them isn't Because when he lets himself care he remembers why he wrote the rules in the first place Every lover from the casual to those who steal a piece of his heart shouldn't expect more than pleasure More than passion Playing the game on and off the ice is his whole world One he isn't ready to change Except life doesn't stop for the game And when old scars are ripped open and he's left bloody and beaten the rules won't help him put the pieces of his life back together To win this fight he'll have to break each and every one **The End** Bianca Sommerland, A taste and then it was gone Lydia sacrificed her body and her very sanity surrendering her freedom to protect those she loves Within the grasp of the evil she fought to escape she risks losing all that she is in order to spare herself endless suffering Death would be mercy Death would make her sacrifice meaningless Cyrus is more than willing to play with his old toys leaving Lydia with no choice but to endure his twisted games His kindness is worse than his cruelty warping everything she once believed When the only salvation is in the arms of her tormentor her cage becomes a welcome place to hide Love isn't to be trusted But the chains will hold her strong and sure Agony becomes the sweetest relief Pain is a language she understands Sometimes I almost wish I didn't want to hurt you so much But just almost You're most beautiful when you're fighting to stay alive I want to keep you this beautiful forever Cyrus **Damasked (New Rules Trilogy Book Three)** Bianca Sommerland, 2021-06-28 The strongest love is woven deep Luther Cross has faced many challenges in his life Building a family with his moody workaholic fiancée self-made millionaire Xavier Ashburne has always been the one he's fought hardest for But until their submissive street rat turned fashion prodigy Alexander Tremaine joined them he'd been sure he'd be fighting alone With all the pieces in place Luther can finally take that next step Put a ring on the finger of the man he loves So long as the rich boy he once was doesn't resurface

And rip all their hopes and dreams apart at the seams *No Escape* Bianca Sommerland,2024-01-16 One chance One mistake And Axton Hawthorn s already reached his limit As a courtless shadow fae on his own with only his skills as a thief to keep him alive Axton has nothing to fight for besides his freedom Until he s imprisoned for his crimes then has his prison break foiled by an order of supernaturals who keep exposure from humans to a minimum or something like that He wasn t really paying attention until the last part His choices are simple Join them or die Yeah he ll look for another option until they give him a damn good reason not to Edric King Kingston should never have been allowed into the High Guard in The G illsin Hellhounds are meant to be chained in the apocalyptic demon realm not secretly protecting the human one as a high ranking soldier Leading reluctant young law breakers and teaching them to use their skills for the good of their kind isn t what he would ve signed up for but it s all he has left to give to prove he s not the cursed creature he was born as He owes his life to one man To a moment when someone saw more in him The only way to pay that debt is to make sure the man s son survives Falling for Axton would be a very bad idea He s reckless and defiant Forces the order to make new rules he can t work his way around But Edric can t look away from the trainwreck he s brought to the doorstep of the place that represents everything he believes in And hope Axton s presence will even their odds against forces threatening to destroy everything they ve built While the man he can t stay away from seems determined to watch it burn *Upper Class* Bianca Sommerland,2019-06-27 Abruptly being thrust into power of his family s billion dollar corporation is overwhelming for socially awkward university student Miguel Berger but it s nothing compared to keeping three toddlers and their equally rambunctious puppies alive He made a huge mistake when he gave the entire staff two weeks off The house is a disaster His nephews are out of control And one of the puppies is missing His savior comes in the form of an incredibly handsome former Marine Ward Neuman who brings the puppy home and offers to help train the triplet s furry companions The only problem is Miguel struggles with accepting help and Ward won t put up with his rich boy attitude There s no way the two could get along even if the arrangement would be perfect Ward is great with kids and he can t turn his back on the little puppy he saved but he s had enough of high society and the way they treat people But when Miguel desperately reaches out and offers him a temporary position caring for the pups and the little boys he can t say no He won t be tempted by his new boss He will respect the rules Miguel sets for all his employees Unless Miguel breaks them Then all bets are off
