Nauman, 2022-03-07 Christmas is one of those deeply cherished traditions Millions of people celebrate Christmas in some way shape or form Their motives may sometimes be questionable but they still acknowledge there is something special about this time of year something worth noticing Warm inspiring and Christ centered On This Night by author Marc E Nauman captures the essence of what it means to celebrate the birth of Christ Ten different Christmastime devotions and meditations regale the Christmas story with thought provoking insights These meditations and devotions center around the Christmas Eve and Christmas Day celebrations at Trinity Lutheran Church in Trinity Florida On This Night encourages Christians in their faith and fills their heart with the joy of the Christ child born on the most blessed of nights **Bonhoeffer's New Beginning** Andrew D. DeCort, 2018-09-15 Bonhoeffer's New Beginning investigates the ethics of making new beginnings after devastating moral rupture The work argues that new beginnings must be made in order to sustain the fundamental convictions that it is good to exist and that life in the world with others should be loved without exclusion Bonhoeffer's ethics of new beginning is set in conversation with the thought of four moral philosophers Friedrich Nietzsche Hannah Arendt Jonathan Glover and Jonathan Lear DeCort argues that Bonhoeffer's ethics of new beginning opens and energizes a more promising world affirming moral vision with radical hope for new beginnings vis vis the perceived absence of God in the face of devastation *Our Hearts Are Restless* Richard Lischer, 2023 In *Our Hearts Are Restless* Richard Lischer takes readers on a guided tour of spiritual autobiography examining the life writings of twenty one figures from the obvious Thomas Merton to the surprising James Baldwin and from the ancient Augustine to the contemporary Anne Lamott Readers will come away with new insights into these figures lives but also a new appreciation of the art and craft of spiritual writing **The Noble Army** James Hawkey, 2024-06-27 The narratives of the figures behind the ten statues of martyrs at the Westminster

Abbey In July 1998 ten statues of martyrs of the twentieth century were unveiled surmounting the Great West Door of Westminster Abbey Ten figures were identified from different continents and different churches victims of Nazi and Bolshevik oppression state sponsored violence and religious hatred these images stand as a testimony to the bloodshed of the twentieth century Some such as Oscar Romero and Martin Luther King are famed across the world Others are less known The Noble Army offers reflections on each of these ten lives explores the questions surrounding their choices and tells us the stories behind them These statues were intended to represent those millions of individuals who suffered for their faith in Christ in the twentieth century These reflections culminate in a chapter on the contemporary reality of Christian marginalization and persecution written by Archbishop Bashar Warda of Erbil Iraq *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1968 **Church in Ordinary Time** Amy Plantinga Pauw,2017-09-21 The liturgical season called ordinary time consists mostly of the weeks between Easter and the beginning of Advent This season generally ignored by theologians aptly symbolizes the church s existence as God s creature in the gap between the resurrection of Christ and the consummation of all things In this book Amy Plantinga Pauw draws on the seasons of the church year and the creation theology elaborated in the Wisdom books of Scripture to explore the contours of a Trinitarian ecclesiology that is properly attuned to the church s life amid the realities of today s world More than a Sermon Douglas D. Webster,2024-05-08 Preach with compassion and conviction In *More than a Sermon* Douglas D Webster highlights the prophetic and pastoral challenge of preaching today The task is both harder and easier than we imagine as we are called to proclaim the biblical text in a way that convicts a hostile world while encouraging our congregations to rest in Christ s love We need preaching that both swings the hammer that breaks hard hearts yet does not break the bruised reeds in our care Offering practical insights and examples Webster explores what it means to preach the gospel in different seasons such as Advent and Lent Memorial services and weddings Times of crisis or social impact *More than a Sermon* is a valuable resource for both new pastors and veteran preachers who want to proclaim the whole counsel of God with power and wisdom
