

EFFECTIVE CHURCH PROTOCOL AND ETIQUETTE

By: Amb Steve Mbugua

The church is the most important place where dignity, protocol, respect and reverence should be maintained. Why? Because when we come to church and its services, we are entering into the Kingdom of God on earth, His habitation, and we choose to honor this sacred place by our attentiveness to what is proper and orderly. At that very moment, we have the opportunity to reflect the image of Christ within us by our actions.

The church is the house of God and because we serve a God who is not the author of confusion, but a God who is orderly and organized, it is therefore pertinent that church services are well organized and order is duly observed.

With this in mind we have to develop a code of ethics to treat brethren with dignity and courtesy to help them have a conducive worshipping environment thus Church protocol and etiquette should be put in place.

Protocol is defined as the system of rules and acceptable behavior used at official ceremonies and occasions or a code of ceremonial forms and courtesies of procedures accepted as proper and correct in official dealing.

It is a system of rules that explain the correct conduct and procedures to be followed in formal situations.

It is the formal system of rules for correct behavior on official occasions.

A code of courtesies, proper practices, set of rules regarding church worship service.

In the scriptures we find a good definition from 1 Corinthians chapter 14 vs 40 (NKJV) says "Let all things be done decently and in order"

Spiritual Protocol is a reference to the respect, honor and deference due at all times to those in authority in the House of God.

In event planning, protocol encompasses the formalities, etiquette, and guidelines one should adhere to when hosting or interacting with government officials or other organizational leaders.
