Cold Case Christianity By J Warner Wallace March 2013:

A Practical Guide to Culture John Stonestreet, Brett Kunkle, 2017-06-01 We don't have to lose the next generation to culture. In this practical guide, John Stonestreet and Brett Kunkle explore questions including: What unseen undercurrents are shaping twenty-first century youth culture? Why do so many kids struggle with identity? How do we talk to kids about same-sex marriage and transgenderism? How can leaders steer kids away from substance abuse and other addictions? How can we ground students in the biblical story and empower them to change the world? With biblical clarity, this is the practical go-to manual to equip kids to rise above the culture.

Real Conversation: Infertility Megan Johnson, 2022-05-05 Infertility is a word that catches one's attention because it is used in quiet private moments. It was a word Megan Johnson noticed other couples speak in hushed tones until she and her husband became that couple. Johnson and her husband are Christians who had to navigate the dicey waters of infertility from a biblical viewpoint. Their infertility appointments were full of medical terminology and clinical processes but devoid of moral discussions. In this book, Megan equips married Christian couples with a biblical tool belt for their infertility journey. She discusses intrauterine insemination, IUI, in vitro fertilization, IVF, and embryo adoption from a biblical perspective. Her aim is to fully equip these couples before they step into their first infertility appointment.

Cult Shock Mark Stengler, 2017-07-04 Two Christian Bible scholars outline arguments anyone can use to counter and evangelize to Jehovah's Witnesses and Mormons when they come knocking. Cult Shock is an easy-to-follow resource of Christian apologetics that teaches you how to defend your Christian faith against the claims of Jehovah's Witness and Mormon missionaries. Mark Stengler Jr. and Mark Stengler Sr., a father and son team of Christian scholars, explain the beliefs of these groups and demonstrate through scripture and logic how Biblical Christianity refutes their worldview. Readers will gain confidence witnessing to these groups based on the Stenglers' recommended engagement techniques from their years of experience. Cult Shock provides all the tools you need to proclaim the real Jesus with fearless confidence.

Cold-Case Christianity J. Warner Wallace, 2013-01-01 Written by an L.A. County homicide detective and former atheist, Cold Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a cold case; it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.
