Collaboration and Resistance Olivier Corpet, Claire Paulhan, Jean-Paul Sartre, Eric Thiébaud, 2009 **Between Collaboration and Resistance**, 2009 **Modernism's Second Act: A Cultural Narrative** I. Nadel, 2012-12-17 European modernism underwent a massive change from 1930 to 1960 as war altered the cultural landscape This account of artists and writers in France and England explores how modernism survived under authoritarianism whether Fascism National Socialism or Stalinism and how these artists endured by balancing complicity and resistance **Renegotiating French Identity** Jane F. Fulcher, 2018-04-19 In *Renegotiating French Identity* Jane Fulcher addresses the question of cultural resistance to the German occupation and Vichy regime during the Second World War specifically by addressing the role of music Europe on Trial Istvan Deak, 2018-04-27 *Europe on Trial* explores the history of collaboration retribution and resistance during World War II These three themes are examined through the experiences of people and countries under German occupation as well as Soviet Italian and other military rule Those under foreign rule faced innumerable moral and ethical dilemmas including the question of whether to cooperate with their occupiers try to survive the war without any political involvement or risk their lives by becoming resisters Many chose all three depending on wartime conditions Following the brutal war the author discusses the purges of real or alleged war criminals and collaborators through various acts of violence deportations and judicial proceedings at the Nuremberg International Military Tribunal as well as in thousands of local courts *Europe on Trial* helps us to understand the many moral consequences both during and immediately following World War II **The Resistance, 1940** Charles B. Potter, 2016-12-12 *The Resistance 1940* illuminates the early phase of the French Resistance through first hand accounts describing how movements organized themselves in opposition to both German occupation and the collaborationist Vichy government Translated and annotated by Charles Potter these writings composed by French men and women reveal how the Resistance fighters experienced defeat and resurrection in the pivotal year of 1940 This primary source reader opens with *First Fight* by Jean Moulin which offers a vivid eyewitness recounting of the collapse of France penned by arguably the greatest hero of the Resistance This major historical document is supplemented by three additional accounts of subsequent events *First Resistance* by Germaine Tillon who was arrested in 1942 and sent to Ravensbrück concentration camp for the duration of the war depicts the formation of the *Groupe du Musée de l'Homme* *National Liberation* by Henri Frenay who originally supported the Vichy government but quickly became disillusioned offers details on the planning of the vast resistance network later known as *Combat* Finally *We Were Terrorists* by Jean Garcin excerpts the memoir of a young Socialist in the southern zone who later headed resistance efforts in the city of Marseilles Along with these annotated texts Potter includes an informative introduction and contextualizes each source positioning the documents within the timeline of events Taken together these four seminal accounts from four individual perspectives offer compelling evidence about how and when the French Resistance began *D-Day Girls* Sarah
