Goldsmith** Elizabeth Parker,2021-09-15 Anyone who sets out to study Joel S Goldsmith s mystical message of The Infinite Way finds a rich but perhaps daunting treasure of over fifty books and more than 1250 recordings of Joel s classwork How does one begin This book provides a framework a context for study which comes from the author s decades of dedicated work with The Infinite Way message An Introduction to the Infinite Way Message of Joel S Goldsmith explains the premise the purpose and the major spiritual principles and practices of The Infinite Way message It introduces the reader to spiritual healing and the mystical life as Joel Goldsmith teaches them and it suggests a beginning study plan It gives new students a place to start a foundation from which they can engage in a uniquely personal exploration of the momentous message that Joel Goldsmith brought to the world **Ye Are the Light** Joel Goldsmith,2017-06-30 This essay is not only a joyous message of love it is a focused instruction about true being Jesus said Ye are the light of the world Do you believe this The author writes Within you and within me within individual consciousness is perfection perfect health perfect body mind beauty harmony eternal being This spiritual self was never born and can neither age nor die It embraces within itself every requisite by right of this sonship as joint heir with Christ in God **Ye are the light** Joel S. Goldsmith,1982 **The World Is New** Joel S. Goldsmith,2018-12 The World Is New is a superb exposition of Joel Goldsmith s path to practical spirituality called The Infinite Way The major theme of The World Is New is that recognizing our spiritual identity as the Christ or God appearing as individual being makes for newness of life The world is new to every soul when Christ has entered into it says Goldsmith quoting from the inscription in the Stanford Memorial Church that inspired the title for the book To embody the principles

set forth so clearly in this book is to experience that newness of life that makes the whole world new and unexpectedly wondrous How many times we have read in the New Testament about the Father within How many times we have read what Paul said I live yet not I but Christ liveth in me says Goldsmith But how seldom have we sat down with ourselves and felt that we must get acquainted with this Father within and find out what Paul meant Few ever really investigate and find out if what Jesus said is true The World Is New helps the reader with that investigation setting forth the breadth and depth of Goldsmith's teaching with unequalled clarity and teaching the spiritual practices that will bring the seeker to the spiritual freedom that is attained when we touch the Christ of our own being and actually feel the divine Presence within us There are those who have ears but do not hear and those who have eyes but do not see Goldsmith says We have eyes certainly But do we see an infinite supply of good We cannot see it with our human eyes We see it only with that inner eye when our attention is centered on receptivity to God In that inner vision we can behold everything present now It is all here We do not need to have a single new thing added to our experience to make it complete We have only to open our spiritual eyes to see the fullness and completeness of God's universe which is already here and which is already now and then the world is new
